Looking back on seventy-eight.

I see those things that made it great.

Its time goes by, a day, a year.

I'll remember those things to me so dear.

When our school won that game.

Clubs and activities, none the same.

That performance, the best one.

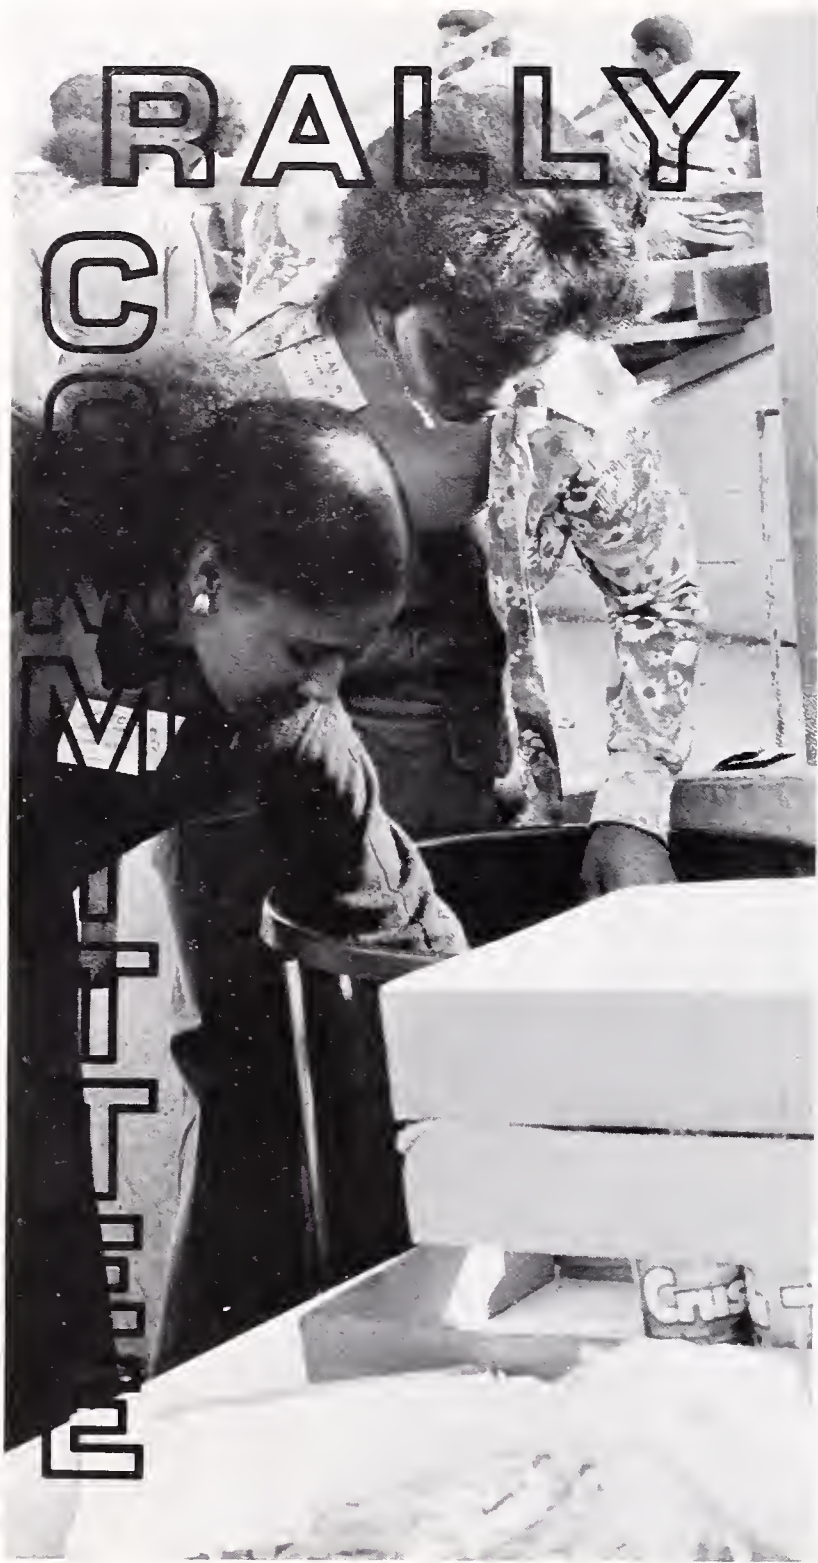

My friends and I having fun.

The Rally Committee **MAKES PEOPLE HAPPY** by selling hotdogs, refreshments, and pom poms at the home games. They also help in other various ways. Painting booster signs, leading the Homecoming Parade, guiding parents around on Parent's Night and counting ballots are only a few of their responsibilities. This organization is Ms. Bennett's 'Backbone' and are the key to the organization of student activities. They should definitely be congratulated on a job well done.

In addition to the cheerleaders, spectators at this year's football and basketball games may have noticed thirty two young ladies dressed in yellow and red, **CHEERING LIKE CRAZY.**

They are none other than this year's PEP squad, dressed in their new uniforms. Under the leadership of sponsor Ms. McKinney and President Pam Harrison, they have been urging on Jacket teams along with the cheerleaders.

Furthermore, they have held fund-raising events such as chicken dinners and bake sales. The PEP squad proved that they can not only cheer, but also have athletic abilities as they tied the varsity football team, 47-47, in their first annual basketball game.

The Homecoming activities were a big success this year, thanks to the dedicated effort of Ms. Bennett. Fifty candidates ran for positions of the Homecoming Royalty, including seventeen runners for Queen.

There was tremendous participation by the student body and the majority of their votes resulted in the crowning of Beverly Greene, Queen, and Selwyn Miller, King.

Berkeley High's spirit was really

L-I-V-E as the sophomores matched the seniors in enthusiasm, both

The Cheering Squad this year is largest one of the last few years. The Cheerleaders, Pom Pom Girls, and Jacket Girls have done an excellent job of promoting spirit and urging Jacket teams to victory. For the first time, there is a full freshman cheering squad consisting of seven members.

In addition, BHS had its **FIRST MALE CHEERLEADER AND MASCOT** in many years, Rico Saxton and Neal Harrison, respectively. Rico not only cheers, but can be seen doing gymnastics at halftime with the Pom Pom Girls as they go through their routines.

More happier and spirited faces filled the auditorium, making this year's spirit rally the best ever! Excited voices bounced off the walls and vibrated through the air. Coach Bracelin praised his undefeated Soph/Frosh squad.

'Now introducing the 1978 Cheerleaders!' yelled cheerleader Beverly Greene. The crowd was in an uproar, giving a standing ovation, as out on the stage wearing wigs, balloon stuffed shirts, and tight skirts, revealing hairy legs, stumbled five varsity football players and their coach Stan. The audience continued to stomp and cheer, as next, out pranced the girl football players, mimicking football exercises and ending in a huddle.

One of the biggest surprises occurred when Ms. Bennett introduced a young man new to BHS, who had desired to be in the rally. Presenting himself as Disco Duck, David Chapman did an excellent presentation of modern disco dances before the amazed crowd.

Coach Nakahara introduced each varsity football player, as applause honored each one for his outstanding performance. Assistant Soph Coach David Tavares then announced an unusual happening at the rally. He had talked with Ms. Bennett about awarding a plaque to a very special person, but little did she know that the person was herself! Uncontrollable excitement burst from the crowd as she gratefully accepted the plaque. **"YOU GUYS WANT TO SEE ME CRY, DON'T YOU?"**

she said, tears strolling down her face.

As a final event, the football players formed a huddle promising to win.

Under the direction of new Coach Stan Nakahara, the Jackets got off to a slow start by losing all three of their tough pre-season games. But the Jackets overcame their pre-season difficulties by **WINNING FIVE OUT OF SIX LEAGUE GAMES.**

This year's team was the hardest hitting team to play for Berkeley High in a long time. The Jackets opened their season by brutalizing the defending North Coast Champions, Pinole. After dominating their next two opponents, Richmond and De Anza, the team had a heart breaking loss to Kennedy, which ended their North Coast dream.

In the Kennedy game, the Jacket's offense kept making crucial mistakes. Kennedy capitalized on the four Jacket turnovers by scoring twice on runs by the Eagles outstanding back, Floyd Teasley. The Jackets were also robbed of a touchdown on a highly questionable clipping penalty, which called back Troy Graggs 90 yard kickoff return. Kennedy won the game 20-6, which enabled them to go to the 4-A North Coast Section playoffs undefeated. However, the Jackets came back from their loss to annihilate Harry Ells for their spirited homecoming crowd. Then they capped off their **WINNING SEASON** by thrashing a powerful El Cerrito.

The junior varsity football team beat Kennedy but lost their five other league games. Two of those defeats were disappointing two point losses, to Richmond and De Anza. This year's soccer team had a successful season finishing the RBAL season in a **TIE FOR FIRST PLACE** with a 7-1 record and a 9-3-1 overall record. The teams victories included a 13-1 walloping of Kennedy and a crushing 10-2 victory over Richmond. Overall the Jackets outscored their opponents by a 72-22 margin. Fifty-seven of these goals were scored by the Jackets in league play, to only 10 goals scored by league opponents.

Leaving this year's soccer team are graduating seniors Joseph Bullie, Russell Calhoon, Paul Chinn, Tim Curran, Karim Dehestani, Shannon Dudley, Peter Fleisher, Mark McCulloch, and Todd Mozer. Returning for action next year will be varsity players Chris Bulkley, Roald DeJean, Manish Doshi, Michael Frauenfelder, Tom Halbach, Justin Jarrett, David Libby, Rafael Torres, and Gary Wheelock.

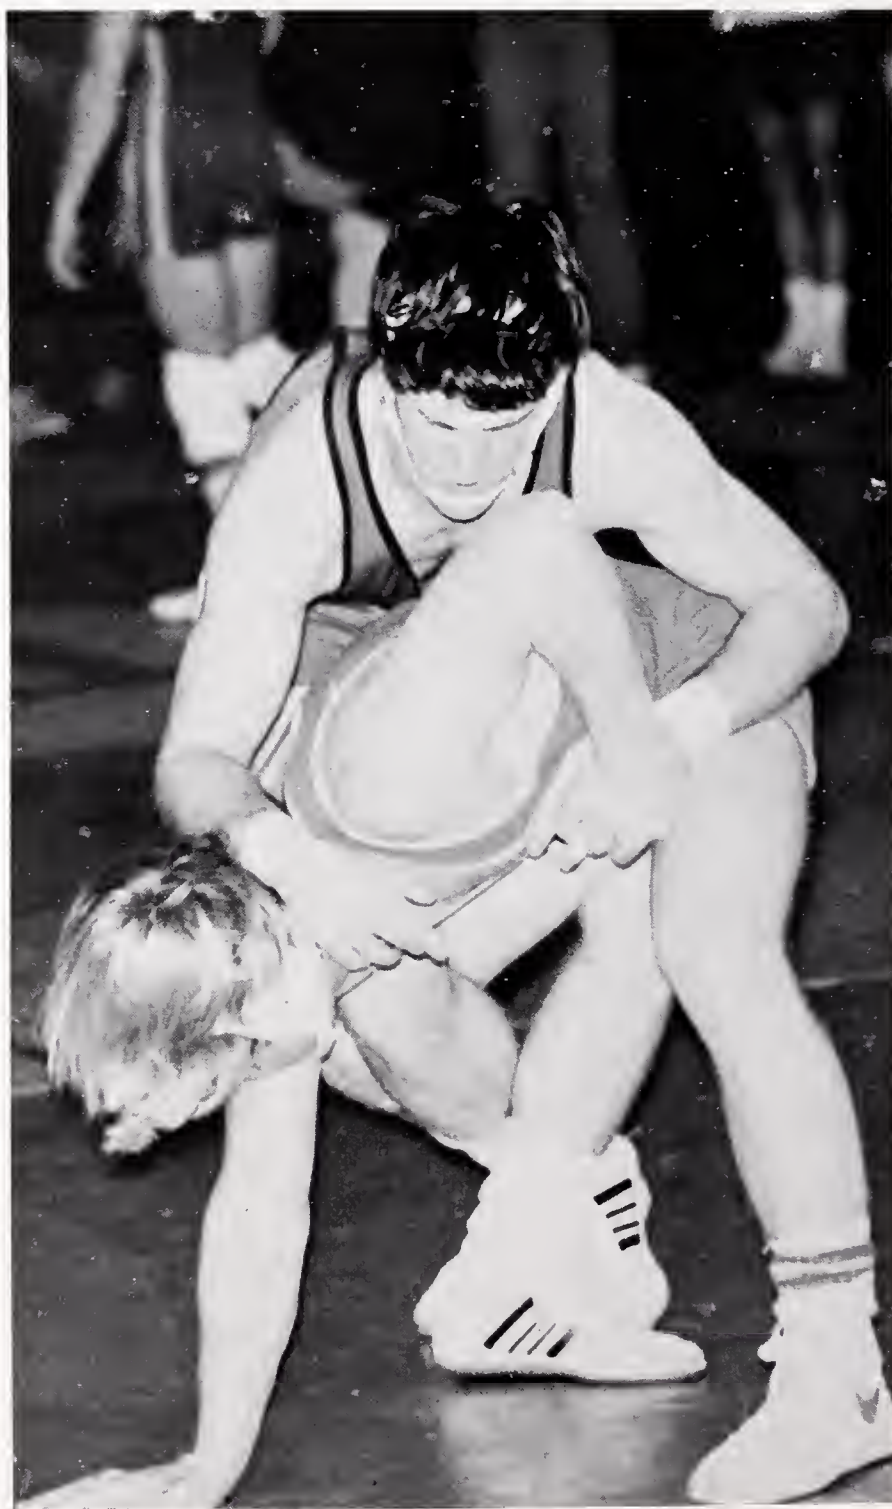

The junior varsity team also had a very successful season, taking first place in the league. Many of those players will move up to varsity next year.

Eleven girls qualified for the North Coast Section Championship, which was the most of any of the forty-seven teams represented at the event.

The outstanding competitors at the championship, in the advanced level, were Miriam Stoll, who placed second in the floor exercise, and Susie Heilig, who finished first in the uneven bars and fourth in the all around competition. In the intermediate level, Yasmin Ali tied for fourth in vaulting. The team voted Jane Yee as the outstanding gymnast for the year.

This year's Field Hockey had the largest turnout ever of talented, young players. The varsity had a fairly successful year winning three games, tying six, and losing one. The junior varsity team finished the year undefeated, promising a fantastic varsity team next year.

According to the coaches, Carev and Sturm, this was the **STRONGEST TEAM** fielded in five years. Two seniors, Rosalie Moran and Cheryl Mallach contributed a great deal to the team. Celeste Hong proved valuable because of her ability to play both offense and defense. Forward Rhonda Simmons and goalie Stephanie Zurek also played well.

The Girls Varsity Tennis Team finished the season with a 6-4 record, taking third place in the RBAL.

Poppy Truman was the number one singles player with Irene Naniche number two and Christina Ichioka number three.

Poppy Truman and Stephanie Guin teamed up playing doubles in the league tournament, which determined the North Coast representatives. The number one double team, Caitlin Dunn and Patty Davis, played in the league doubles tournament.

THE DEPTH OF THE TEAM was shown in the number two doubles spot, where Nancy White and Wendy Toyofuku played for the first half of the season. The co-captains of the varsity team were Irene Naniche and Nancy White.

The Junior Varsity, coached by Ms. Oldershaw, took the RBAL crown with an undefeated 8-0 season.

The top singles players were Debbie Kennedy, Stephanie Guinn, and Alyssa Gong. The top doubles players were Stacy Leonoff and Gillian Bolt, Nancy White and Wendy Toyofuku.

Many players worked hard and contributed much to the team.

Coach Anderson is expecting a winning season next year. There will be fifteen returning players.

The cross country teams were **ABSOLUTELY IN-DOMITABLE** this season as the Varsity, Frosh-Soph, and Girls teams took first place in the RBAL. Coach Willie White had every right to feel proud of his teams. "They ran well as a team and they worked at it."

For the varsity team, this marks the first time in eleven years that they won the league title. They also share the dual meet championship with De Anza. Their league record was 5-1, with the only loss being at the hands of a strong Pinole team. The team was led by David Fike and Jeff Fields, a transfer from Chico, who won the league meet in a major upset.

The Frosh-Soph team won its section at the league meet without their best runners, Scott Austin and David Whitenack, who were promoted to varsity where they did an outstanding job.

The girls team continued its winning ways by taking the league meet. Anne Carson, Renee Johnson, and Emily Smith were the outstanding members of the team.

Berkeley's swimming Yellow Jackets, coached by Mrs. Worthington and Diane Burger, consisted of a team of 20 varsity and 22 junior varsity ladies, who continued to dominate the RBAL, for the second year in a row. They had an undefeated dual meet season and a **VICTORY IN THE LEAGUE** championship meet, ending their season beautifully, 184½ points ahead of second place.

A North Coast Section meet was held for the first time, and Berkeley's RBAL winning, league record setting medley relay team (backstroker - Tracy Wedemyer, breaststroker - Tina Simpanen, butterflyer - Lynn Wittstock, freestyler - Amy Stinchcombe) qualified and placed 11th in the finals.

Divers Jenny Thomas, and Susie Heilig, varsity, and Jenny Landsberg, junior varsity, also had an unbelievable season in the league. They finished with an undefeatable reputation — they placed first every time. In addition, the two varsity divers, Jenny and Susie qualified and finished 3rd and 4th in the North Coast Section.

At the North Coast Section, the swimmers and divers met with tough competition. They performed extremely well for the first time, and now have a better insight into North Coast meets for future goals.

This year's water polo team finished the season with a disappointing 5-14 record and a 6th place finish in the I.W.P.L. Despite the poor record, the Jackets were **RICH**

WITH TALENT including Mike Bender and Eric Seward who were named to the All-independent Water Polo League team and captain Willy Morris an All-American goalie in 1976. Morris and Bender were named most valuable and most improved players respectively.

The team's most crushing defeat came at the hands of Alameda in the league tournament. Going into the game, the Jackets had a chance of going to NCS but they blew a big lead and their dreams of North Coast.

The team had many bright young stars including Seward, Jim Manheimer, Eric Cohn, and Sam Taylor. With these players and many more coming up from the JV's, the Jackets should regain their strength next year.

This year's junior varsity team, coached by David Hampton, was quite a different breed of athletes from last year. These kids were a bit younger, and from the outset, a bit less inexperienced. But as the season wore on, their overall ability level **IMPROVED** drastically, especially in John Everhart, voted MVP, Tom Voorhees, Eric Thompson, Augie Johnson, Craig Somerville and Matt Bloomquist.

There were 30 members on the team, including four girls (Nina Thayer, Laurie Lander, Heidi Hinds, and Anne Diamond). About 11 of the 30 members will advance to Varsity next year.

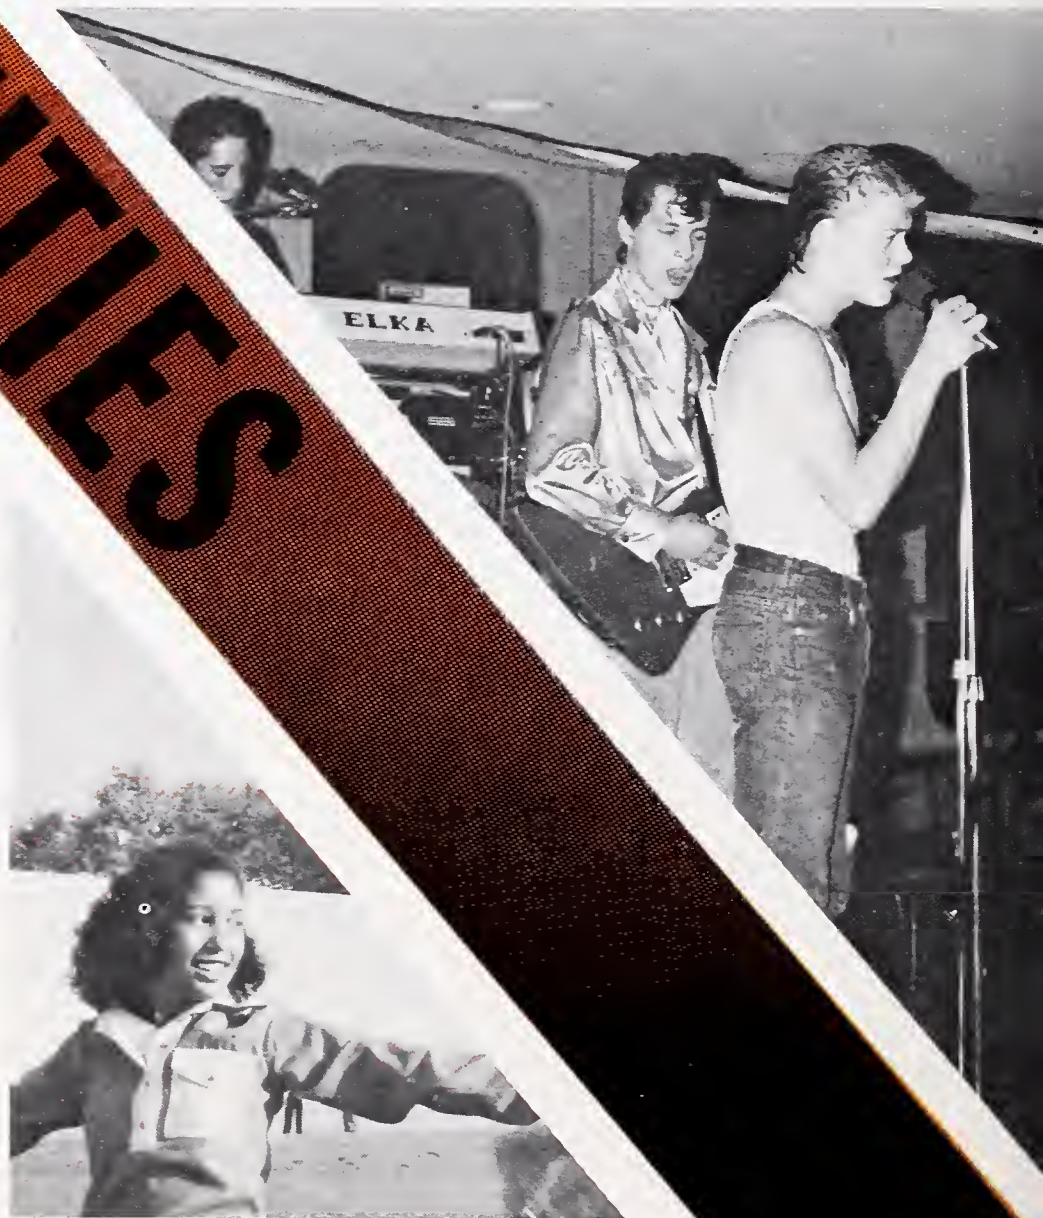

The team rallied together as a unit to give Berkeley the best junior varsity team in the east bay. With the youth already in the program, it is easy to see that Berkeley High will continue its long established dominance on Water Polo.

A very important aspect of the J.V. team was that of Coach Bill Gaebler, who had an incredible ability of strategy in pressure situations. Coach Gaebler helped the team out in many ways, and under his guidance, next year's team will be better than ever.

ACTIVITIES

ACTIVITIES

This year, the **SENATE** established a brand new addition to student government, the Student Council. The Student Council consists of a representative from each second period class. Suggestions presented during council meetings are then acted on by the Student Senate.

During the fall semester, several members attended a conference on student rights.

For the spring semester, the Student Senate sponsored a Gong Show to raise money for school improvements. Also, Elizabeth Echols, president, and Jenny Lipow, secretary, spoke at a rally against the School Board's proposed program cuts.

A student council was formed this year in order to provide contact for the student senate with the student body. The **STUDENT COUNCIL** tells the Senate what they would like to see changed in the school rules.

The **STUDENT STAFF COURT** provides students with another outlet with which to air their grievances. Led by math department teacher Mr. Ward, the court has an excellent representation of the student body with the presence of students Ken Hunter, Betty Hwang, and Dove Scherr. Fortunately, or unfortunately, the Student/Staff Court has been fairly inactive this year. Mr Ward summed up the feeling when he said that the BHS administration has been one of the most liberal in terms of ways for students to express their grievances, and it would be a pity if one of those means, the court, is abandoned through nonuse.

The **HONOR SOCIETY - C.S.F.** (California Scholarship Federation) had an especially exciting and active year. With its combined membership, of almost three hundred people, it was the biggest club at Berkeley High. It raised much money for its scholarship fund, continued its academic tutorial service, and sponsored many activities, including a pot-luck dinner, a geography bee and trips to Bay Area cultural events.

M.E.S.A. (Math, Engineering, Science, Achievement) got off to a slow start this year, but thanks to three very hard working people, MESA was a success. Victoria Fussell (president), Gene Turner (vice-president), and Ms. Janice Hunter (sponsor), were always on their toes when the ball began to roll. MESA went on field trips to Stanford's Linear Accelerator Center, the Annual U.C. Davis open campus day, and of course college day at U.C. Berkeley. MESA sponsored such events as the MESA Derrick building contest and also had a bake sale and a dance, which was a first for them. We expect to see great things from this group next year.

The African Student Association is the vital student-community arm of African American Studies Department. The **A.S.A.** meets formally every other Tuesday to discuss political and educational issues that concern Black people, nationally and locally. The ASA grew in the late sixties out of a need for students and the community to have an effective action group to press the demands for what they considered relevant curriculum. Since then, the ASA has continuously waged an uphill battle in order to maintain this program. This struggle intensified in the spring semester of '78. The success of this struggle will determine whether or not African-American studies will live or die. Aluta Continua.

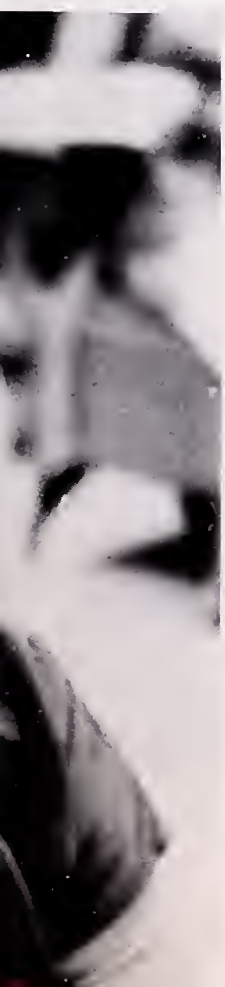

The **UJAMAA** is the official organ of the African American Studies Dept. It is published bi-weekly by the African-American Journalism class. Ujamaa is a Swahili word meaning cooperative economics. Dedicated to the free expression of African thought, the Ujamaa seeks to inform & inspire.

The **A.S.U.** has continued to be active, holding numerous fund raisers such as bake sales, dances and luncheons. In April, they held their annual retreat which enabled the ASU members to come closer together, and strengthen the sense of Asian identity. This years funds were divided between the annual retreat and community organizations. This year, the ASU has begun to work closely with the asian community; for example, they raised money for the Arlene Sano scholarship fund, and have given their time to help other organizations.

With the help of the sponsors Stan Nakahara, Suzanne Lee, Fumi Matsumoto, Mr. Isono, Mrs. Young and special thanks to Mrs. Woodson for the use of her room, the ASU has continued to be a great success.

The 25 members of the **RAZA** Student Union, led by teacher/sponsor Ed Garcia, work to create an environment of high interest where students can enjoy learning and working together. They promote both the importance of the Chicano Culture, history and pride amidst the American Society as well as the cooperation with other organizations in the Bay Area engaged in similar activities. Some of their activities include mural painting, weekend retreats and journalism from which they produce their own year book. They also research community organizations, legislative bills and minority aspects. Throughout this year they have kept a strong level of activity and concern about their society without losing their heritage and will hopefully extend those concerns into the future.

More active then ever before B.H.S.'s **KEY AND KEY-WANETTES** club had a very successful year. Under the leadership of presidents Matt Lieberman and Jean Anderson (fall), and Dave Fike and Jean Anderson (spring), with much help from Susan Spears (vice-president both fall and spring), with much pated in both social activities and school/community service projects.

During the year key club took blind students trick-or-treating at Halloween, rollerskating in the spring with the

Red Cross; helped train handicapped students for the Special Olympics; and aided Red Cross/Berkeley Fire Department with a canned food drive for the needy. The club sponsored the 2nd annual Sadie Hawkins dance with the senior class; and perhaps their most memorable experience, the first 24-hour Marathon Dance in January.

These and other projects such as the annual "take over day" and talent show for Berkeley Kiwanis has made the B.H.S. Key Club have one of its most rewarding years ever.

Coached by BHS English teacher Caroline Smid, the team traveled nearly every weekend from October through April to speech competitions as nearby as U.C. Berkeley, as far South as Orange County, and as far North as the Oregon border. Team members attended prestigious invitationals at U.C.L.A., the University of Redlands, and Loyola University.

The squad was led by top debate team and co-presidents Andrew Contopoulos and Jenny Lipow, and individual events captain Robin Lowitz.

Sophomore teams, Serge Wilson, Alan Weil and Craig Somerville, Brett Waxdeck, had admirable records as well, and are viewed as two of the more promising teams in the state.

1977-78 turned out to be a surprisingly good year for the **MODEL U.N.** Under the pres., Brett Waxdeck, they started the year representing Yugoslavia, and ended up representing the Republic of Togo as well, at the Model United Nations conference at CAL. At the conference they managed to get a bill passed—authored by Jeff Wolinsky—and received several honorable mentions. Basically, the club's aim is to get a feeling for the working of the United Nations, primarily by attending the conference in February.

CALIFORNIA JUNIOR STATE is an organization designed to educate, involve, and represent the high school students of California in the state and local governments. Statewide, the Junior State has over five thousand members, with eleven members at Berkeley High. They attended statewide conventions in Sacramento and San Diego, lobbied at the state capitol for student related bills, and attended, as well as put on local governmental events.

The **FALL JACKET STAFF** worked very hard to produce 13 issues of the Jacket, each one improving on the one before.

Andrew O'Hehir, the Editor-in-Chief of news, lived through hours of copy-reading, writing, and rewriting of the majority of the articles for the paper. He came to every deadline and supervised all the work being done.

The Editor-in-Chief of graphics, and also photographer, Paul Chinn, is the cause of the graphically great paper. He fusses over every line and tries to make sure nothing on a page is crooked. Plus, Paul takes and prints most of the pictures for the Jacket.

Monica Lynn, News Editor; Kim Borges, Feature Editor; Lynn-Rachel Altman, Editorial Editor; Craig Barron, Entertainment Editor; and Willy Morris and Nick Riasanovsky, Sports Editors are responsible for collecting stories, editing them, and laying them out on various pages. These six people, along with the editor-in-chiefs, work very hard to produce a desirable paper, often they worked past midnight.

The Jacket could not exist without the compositors, Frances Yoshimura,

Danny Waxman, Geoff Nathan, and Margaret Fine. With a speed of over 100 words a minute, Frances is responsible for typing most of the articles.

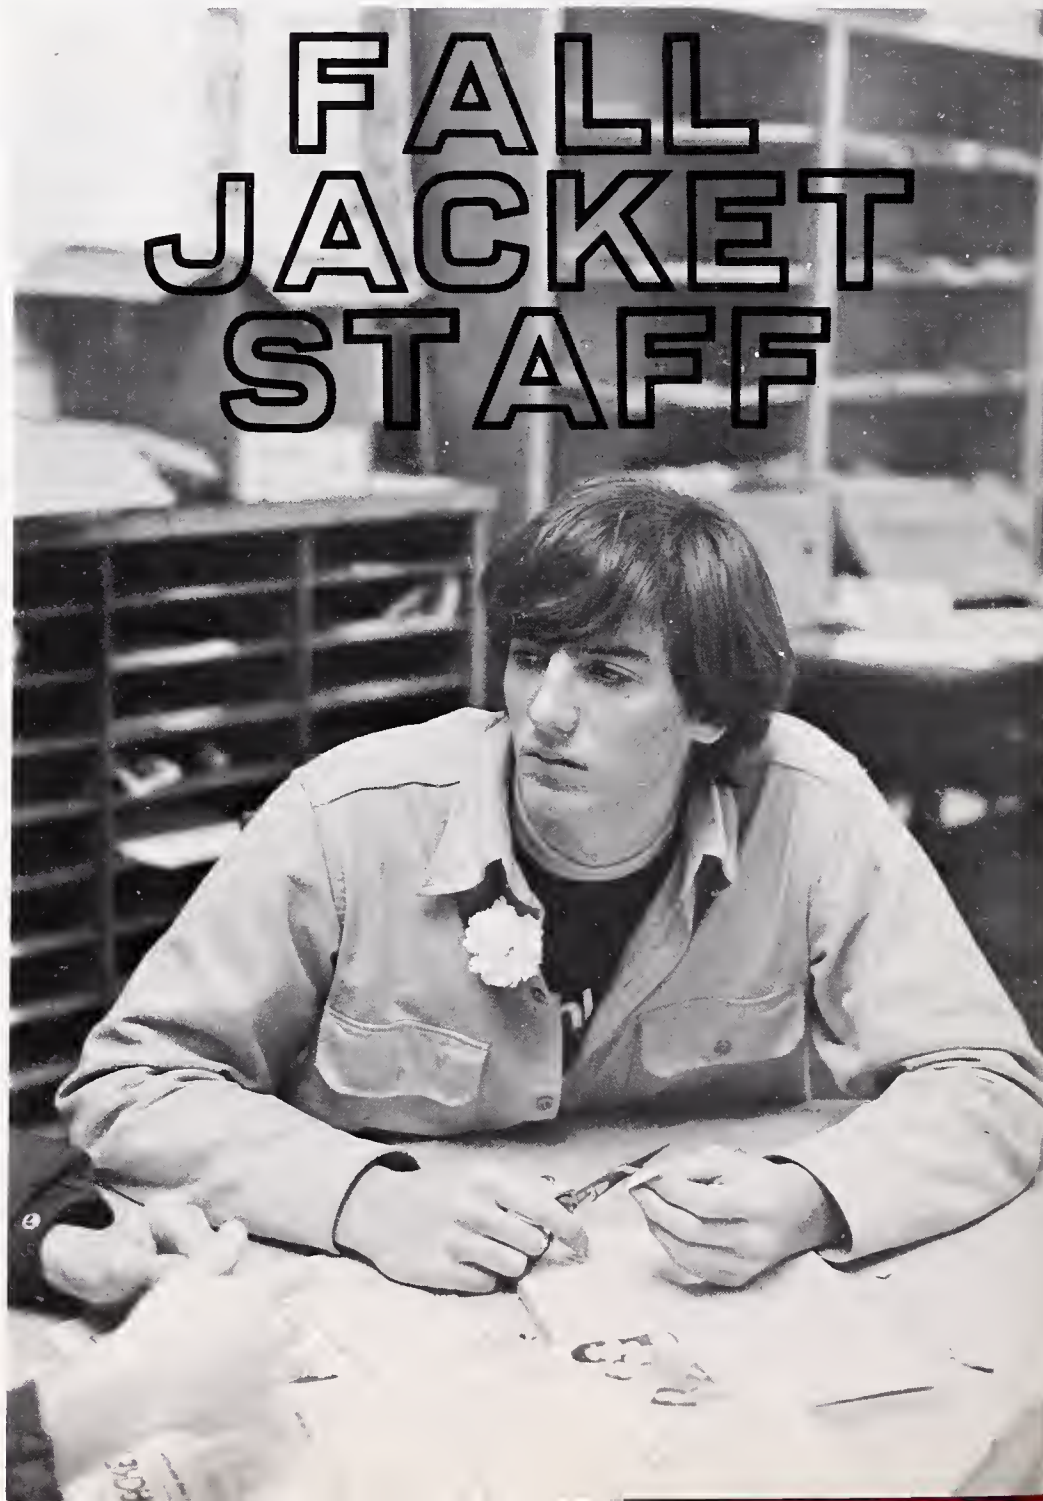

Last, but not least, Advisor Charles Kratz, besides putting up with the whole staff, had to drive to San Francisco to deliver and pick up the paper.

The **SPRING JACKET STAFF** was a group of hard working students devoted to the cause of putting together an interesting issue of the JACKET every week. Additions to the staff were compositor Jade Goldstein, co-advertising manager Beth Leggett, feature editors John Bloom and John Kittredge, and co-news editor Eric Taller.

The staff continued to spend Wednesday and Thursday nights at school in order to put out weekly editions of the newspaper. The JACKET has continually been criticized for putting out only four page issues, but because there weren't many advertisers, the staff was forced to cutback on many of the expenses. They did however, frequently put out an eight page issue.

TOGETHER, starting in spring '77 and during the summer, Editor Loralee Wagner and Assistant Editor Jade Goldstein planned, developed and designed the theme for the yearbook '78. However the ideas were not final — the yearbook had the flexibility to change with new ideas from the student body.

The staff was fortunate to have many photographers helping Photography Editor Paul Chinn: Kevin Fong, Judy Moore, Robert Owyang, Stephen Quan, Steve Smith, and Dianna Stirpe. In addition to developing and printing their work and others', they helped layout pages and do other things on the staff.

To be in charge of a section in the largest California yearbook is not an easy task, as many staff members found out. As a result, it wasn't until the spring semester that the majority of positions were filled and work began to get done.

Hannah Von Blum, a spring staff member immediately took on the responsibility of the underclass section after Fall Editor Kim Rivenes. To the relief of the editors, she stayed late nights to finish the section and have it sent off to the printers.

Another dedicated member, Sofia Ames also worked hard to get **THE YEARBOOK** out. She also helped Sales Manager Susan Spears out with the yearbook sales.

Sports Editors Ian Willis (fall) and Mike Bender (spring) did a good job with their section.

Bonita Chinn, Advertising Editor, with the help of Roz Ruff (asst. ed.) had a tedious job but did remarkably well in spite of it.

Index Editor Joen Eshima, had an easier job this year because the yearbook received cards with the name of everyone in the school.

Advisor Terry Doran helped the staff through problems, and finally got typesetter Danny Waxman working.

Even though the late night deadlines were exhausting, the staff still found time to joke and laugh about humorous happenings on the yearbook, until it **WAS COMPLETED**

The **SKI CLUB** took four trips this year, three to Heavenly Valley and one to Squaw Valley. They enjoyed the best skiing conditions in years. It snowed heavily on each trip which made for fantastic powder skiing.

All of the members of the ski club immensely enjoyed the company of the chaperones, Don Bracelin, Larry Lee, Sheila McHuy, and Doug Powers. Superb jobs were done by president Leslie Oldershaw and vice-presidents Kim Rivenes and Susan Spears. Other contributing members who helped organize the trips were Ted Donahue, Barbara Oldershaw, Clark Pappas, Andy Rader, and Yvonne Trilling.

The **HIKING CLUB** comprised of 20 nature lovers and sponsored by Mr. Whipperman, met every month to strap on backpacks, take exhilarating hikes along beautiful trails, swim in icy lakes and crashing waves, freeze toes, huddle around cozy campfires, and sing until their vocal chords gave out. The club went to Yosemite and Estero San Antonio. Together, the Hiking club experienced a satisfying and fulfilling year.

The **GOURMET** club, sponsored by Richard Dillingham, had about 25 members this year. Their main interest was the preparation of food from different cultures. They started off the year with a Near Eastern meal, which was followed by Scandinavian and Russian dinners and a British Christmas feast. Every one prepared a dish for each of these dinners, which were held in different members' homes.

The **WOMBAT CLUB** is really a combination science-fiction, movie, hiking and camping club. Under the leadership of their sponsor, Mr. Panasenko, and president, Sally Fuller, the club has engaged in activities such as a two-day camping trip to Jackson State Forest, and going to see the movies Star Wars and Looking For Mr. Goodbar. Also, the club has overseas correspondents in England, Gayla Weng and John Kadyk.

The **TECHNOLOGY CLUB** jointly sponsored by Mr. Coolidge and Mr. Sanchez, developed from last year's Science-Math Club, because most of the members were interested in electronics and computers. President Eric Novikoff states, 'We are dedicated to the progress of technology.' The club planned an excursion to Palo Alto to learn how to build and operate a micro-computer, which all members of the club were involved in building. The club also took a field trip to the Berkeley Radiation Laboratory.

PERFORMING ARTS

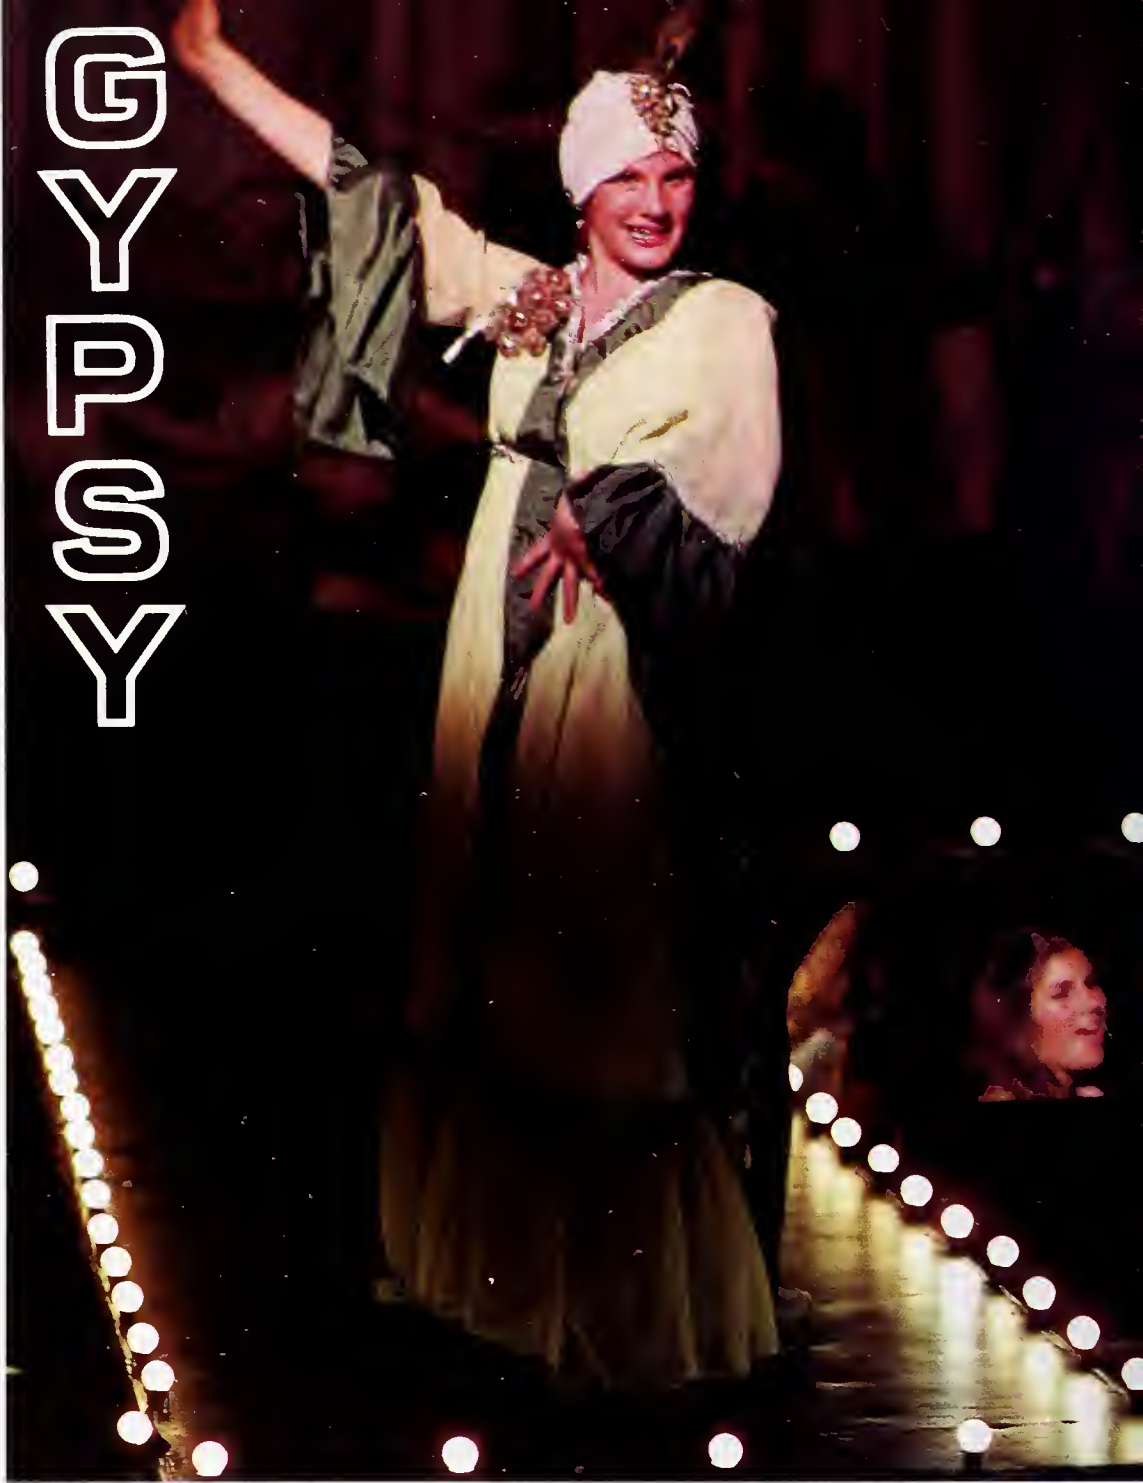

PERFORMING ARTS

The summer musical for 1977 was Gypsy. The play is about Gypsy Rose Lee's rise to fame with her mother pushing her all the way. There were six performances, three in July and three in September.

Ninety people participated in the production, the **LARGEST CREW EVER** in a Berkeley High production. Superb performances were given by '1977' graduates Jenny Schenker, who played the forceful role of Momma, and Amy Kimball, who played the title role of the stripper, Gypsy Rose Lee. Other performances included Claire Content as Baby June, Larry Neff as Herbie, and Susanna Gilbert as the younger Baby June. Gypsy was certainly a success!

Dance Production is a class that meets every day during second period. It is a combination of technical work and student choreography. Dance Production requires hard work and dedication, inside and outside of class in order to make Dance Production **A SUCCESS.**

Over Christmas vacation, Dance Production provided scholarships for ten students to participate in an intensive Dance Workshop at U.C. Berkeley, sponsored by California Dance Educators Association.

The months spent choreographing and practicing culminate in the final production in January.

The Symphonic Band, conducted by Mr. Xenelis, offers students the opportunity to share concert performance experiences. The group teams with Chamber Winds in successful concerts presented throughout the year. The Symphonic Band scored **ALL EXCELLENT MARKS** at the CMEA Band Festival last year, showing the dedication the students have. Each year, the band has enrolled 70 students, all who are then eligible for Chamber Winds.

The Jazz Band is composed of extremely talented members. In September, two members, Dan Wilensky and Herbert Sneed, played in the Monterey Jazz Festival California All Star Band. The Jazz Band also won the Redwood Empire Jazz Festival in November. For **THE THIRD CONSECUTIVE YEAR** the Jazz Sextet was chosen the outstanding high school combo in the state. The band also played in a number of other festivals and planned to play in several more and go on tour in the Santa Cruz area.

Chamber Winds, a group of about 40 musicians, many of whom are preparing for **CAREERS IN MUSIC** performed in a variety of concerts this year. One of these was the annual mass band concert, which involved students from West Campus, King and the Berkeley High Symphonic Band, as well as Chamber Winds.

Many members of Chamber Winds also belonged to Concert Orchestra, Concert Chorale, the Bay Area Wind Symphony, the Oakland Symphony Youth Orchestra, the Young People's Symphony, the Berkeley Youth Orchestra, and the San Jose Youth Symphony.

PRODUCTION '78

2.

3.

5.

Dance Production had the biggest, **MOST CREATIVE** cast this year than every before. However, because of the disadvantages of a large cast the future productions will be smaller. Dancers will be chosen next year to be in the production by audition.

Dance Production '78 was a success, closing night was packed, even standing room, and the balcony was filled. People even stood in line more than an hour before so they wouldn't be turned away. The production was worth waiting for, the dancers combined all their talents, producing a wonderful show, full of variety.

Concert Chorale spent most of the year preparing for their summer **TOUR OF ITALY**. Concerts, dances, extra rehearsals and a raffle filled already busy schedules. They needed to raise \$110,000 and memorize 2½ hours of concert music.

Major concerts included the annual Christmas vespers at the 1st Congregational Church, a benefit concert at St. John's Presbyterian Church, and a Day in the Sun at Pacific Lutheran Seminary with wine & cheese, hors d'oeuvres and, of course, music.

For the first time ever, Chorale appeared at Hertz Hall in the prestigious CAL arts and Lecture Series in June.

In addition, Concert Chorale staged the first all student production, "Three o'clock High," to help raise money for their trip to Italy. The play, written by chorale member Leo Levenson was definitely a success.

AEOLIAN CHOIR

The Mixed Chorus serves as a training choir for Concert Chorale and Aeolian Choir. This year there was an **ENTHUSIASTIC** 9th and 10th grade singing group, promising a very good future for the singing groups of B.H.S.

Aeolian Choir is directed this year, as in the past, by Mr. Barker, a very competent and energetic man. It is made up of 35 **EXQUISITE SINGERS**, all female.

The Gospel Choir was not as large as last year's. Even though it consisted of few voices, they all felt the class was an effort to produce artistic comments from each individual. The class attended all seven of the "Today's Artists Concerts" during the year. Director, Jessie Anthony feels, "It is the highest **FORM OF ART** because it has integrity with life."

Chamber Singers, a small group of singers selected from Concert Chorale, was **ESPECIALLY HONORED** this year. Nine of its members were selected by audition for the California All-State Chorus. The Chamber Singers performed for community service groups this year. In the month of December alone, they gave eight performances.

"Separate Tables" is a set of two short plays, written by Terence Rattigan, dealing with life in the Beauregard Hotel, a small, private resort near Bournemouth, England. The first play, "Table by the Window," was directed by Roger Gilbert. The second play, "Table Number Seven," was directed by Sean Haines.

Commenting on "Separate Tables," co-director Haines said, "Casting for the play **WASN'T EASY** but we made all the right choices, and we had a very competent cast. Everyone did a fine job."

Arthur Miller's "Incident at Vichy" is a one-act play directed by John Chichester, a BHS student. Chichester described it as "the kind of play that will give a large number of actors a space to **FURTHER THEIR EXPERIENCE** in performing arts."

The play which has a cast of twenty-one, takes place during WWII in France occupied by Germany in the town of Vichy. It is a character study of a group of people who are brought into a detention room by the Nazis, and are uncertain of their fate.

The B.H.S.C.T. (Berkeley High School Community Theater Stage Crew) is responsible for every show that takes place in the theater. Jud Owens, the manager of B.C.T. hires Berkeley High students to work the stage for such **PROMOTERS** as Bill Graham Presents, Morning Sun Productions, Concert Express, and others. They do an amazing job for many top-name performers, as well as some school presentations.

The Costume Production class, whose members comprised the costume crews, worked very hard all year to supply all the drama productions with costumes. They both **DESIGNED AND SEWED** the costumes, and some of their crew members even served as extras in the productions they worked on.

The make-up crew strove towards **PERFECTION** throughout the year, starting out with workshops and then moving on to the actual plays. Each artist is assigned one or more actors in the play, and is responsible for them throughout rehearsals and final productions.

Making up an actor takes a lot of time and patience even for the most experienced make-up artists at B.H.S.

PRODUCTION

No one really knows what goes on behind the scenes but the production crews. These people work under the technical direction of Diana McDonald. They are responsible for the lighting, the state settings, costumery, and make-up. The crews are designed to work separately until two weeks before production. They do an **AMAZING JOB** of putting it all together in such a limited time.

During the last two years, the **CLASS OF '78** has proved to be especially unique. Since there was no junior prom, the senior class saved their excitement and anxiety for their senior ball which was on the "Countess" yacht instead of in the traditional hotel.

A skating party, talent show, pizza party, carmel apple sale, and Mr. and Ms. BHS were some of the fund raising activities the class held. The class officers wish to thank all the seniors who participated in the activities.

The Senior Activities Committee was a group of hard working seniors dedicated to raising money for the **SENIOR CLASS**. The committee met after school in the BOC and made important decisions such as where the senior ball and grad night was to be held. The committee was headed by class president Terri Bryant who did an outstanding job in organizing the meetings, sponsoring bake sales and other fund raising activities.

On the first day of school, students go through a confusing process of **SELF - SCHEDULING**. Cards for each class and teacher are divided into three or four equal sections. Then, students are called by lottery to get their classes.

Many students run into difficulties because one class or another is "closed" (no more cards for that section). So, students must either rearrange their schedule for open classes or file an incomplete. Sometimes, they change their schedules only to find, some classes have "closed" in the meantime.

So, on the first day of classes, there are some unhappy students, resulting in a mob of people in the counseling office.

Improvements on the gym finally became a reality instead of a dream. On December 12, construction began with the removal of the old football field and track area. The **NEW FIELD**, containing a sandbase soil composition, real grass (grown instead of laid down), and a new combination of soccer/football goals, was planned to be completed by June.

The whole project, the culmination of four years hard work and study, will cost \$3.45 million dollars, all paid for by a grant from the Local Public Works Capital Development and Investment Program of the Federal Government. Included in the project, is the rehabilitation of the old gym, and the building of a new one.

As long as they have been here, the **CADILLAC KIDS** have been the most successful band on campus. Their success, however has not been limited to just B.H.S. They have had engagements at U.C. Davis, Berkeley, Tuolomne Camp, the Evergreen Lodge, and in Fremont, to name a few.

The group was formed in 1974, when lead guitarist Brian Kendall, drummer, Jeff Weinmann, and lead singer Matt Rogers came together to perform in a talent show at Willard Jr. High. The group was such a hit that they stayed together, and when they came to B.H.S., they were joined by bass player Jeff Lewis and keyboard player Greg Leshner.

The band's future is cloudy, though, as both Greg Leshner and Jeff Lewis are graduating this year. Regardless of what happens, their years at B.H.S. will long be remembered, and their 50's dances will be reflected upon as some of the most novel and entertaining experiences at Berkeley High.

For those of you who thought marathon dances went out in the 30's, surprise! The Key Club sponsored the First Annual **MARATHON DANCE**, which lasted from 8:00 p.m. on Friday, January 6 to 8:00 p.m. Saturday, January 7. Forty-two couples boogied to the latest taped music, as well as a live performance given by the Cadillac Kids, with only 15 minute breaks every two hours. Only fourteen couples finished the grueling 24 hour dance.

Each contestant rounded up sponsors, who paid them for each hour they danced, the money raised was given to the Berkeley Center for Independent Living (C.I.L.), which is an organization to help disabled persons to live more independently.

KPIX covered the dance with a live broadcast, stories appeared on KRON and in the Oakland Tribune, and Matt Lieberman, key club president, was interviewed by KGO.

1. Key Club president, Matt Lieberman, turns the music up.
2. Leslie Oldershaw and Susan Spears get in the swing of things.
3. Fred Wright and Kim Rivenes await a break.
4. The winners! Judith Fishlow, second, Gillian Bolt, first, and Norman Scott, third.
5. "Slow dancin', swayin', to the music..."
6. Kim Rivenes -- aah, rest at last.

Berkeley High's **ADMINISTRATION** under the leadership of Principal Tom Parker, has worked tirelessly to help make Berkeley High the place it is. Instructional Vice-Principal Samantha Lee has applied both her experience as a counselor and her skill for working with people to her increasingly difficult task of meeting the needs of a diverse student population in the face of continuing staff cutbacks. Administrative Vice-Principal Jim Catlett kept the buildings in shape as well as could be expected and endeavored to put our limited supplies budget to best use. Mr. Letcher, Student Supervisor did his best to keep in touch with the needs and concerns of students, but hates to be labeled as a 'watchdog.' Grade Coordinator Yoshio Isono, Irene Obera, and Jim Trainor dealt with attendance and discipline problems with fair and open minds. And last, but by no means least, Principal Tom Parker fought valiantly with an often insensitive Central Administration against staff and budget cutbacks.

Despite the great increase in the number of students per counselor this year, the **COUNSELORS** have done a consistently good job.

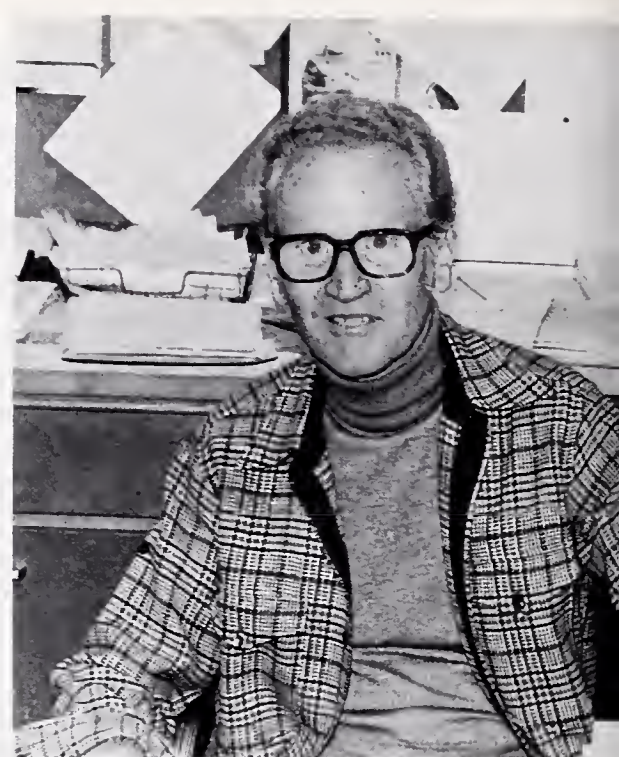

Another problem Berkeley High had this year was difficulties in hiring. The school was one counselor short. Two more counselors, Mrs. Cassidy and Mrs. Hickman are retiring, which will leave next years staff even shorter.

Mrs. Cassidy said that her counseling experience was altogether an enjoyable one. She especially liked counseling in Berkely because of the wide diversity of Ethnic groups and the number of overseas students.

All the counselors seem to agree that another nice thing about counseling is the one to one contact with the students. A counselor can really get to know his students and watch their development through high school. Altogether counselors feel counseling is a very interesting and rewarding experience.

The **ENGLISH** Department, as usual, is in a hectic stage. It is constantly in a state of change. Last years' English Honors course was dropped and implemented this year was a new sequence of Advanced Placement courses: English Novel, British Drama and Poetry, and Modern American Literature.

The rich variety of electives remained, with students able to take everything from Journalism to Advanced Placements courses. Skills programs, High Intensity Learning Center, Black, Asian, Childrens' and Modern American Literature courses were also available for the students.

The **HISTORY** Department at Berkeley High has been designed with a two-fold curriculum. One is designed to meet the graduation requirements. The other is to cater to the various interests of the diverse student body at B.H.S. The department is also interdisciplinary, involving other departments, such as English, math and science. As a result, there is a rich variety of history courses.

The department also embarks upon various projects, for example, the Close-Up program, which provides for students to spend one week at Washington D.C. Various speakers are invited to speak upon current and controversial issues.

1. Ms. Harrington supervises the History Department meeting.

B.H.S. has one of the largest math departments in the Bay Area with dedicated teachers who teach a wide variety of math courses.

B.H.S. students participate in many math contests. In the annual high school contest sponsored by the Mathematical Association of America, B.H.S. has consistently done well, and the department plans to maintain those high standards.

The **MATH** Department is in the process of developing a graduation proficiency test. Students in the class of 1980 and later classes will have to meet the minimal requirements included in the test in order to graduate.

Every graduate of BHS must have had at least one year of Science during the four years of high school. This means that the **SCIENCE** department has students of all ability groups and interests. Because we are a large school, we are able to offer courses in a number of different areas.

Perhaps the most unusual aspect of the offerings of the Science Dept. is the number of Advanced Placement courses that are available here. Most schools do not offer any A.P. classes. We have such a large number of ambitious and talented students that we have been able to offer A.P. classes in biology, chemistry and physics. Another outstanding offering of the Science Dept. is Field Biology. This course gives students an opportunity to study, first hand, the ecology in several different biotic zones.

The Dept. has had an outstanding reputation in many different colleges and universities that our students have attended. We hope that we will be allowed to continue that reputation.

The main objectives of the **BOYS P.E.** Department are divided into three parts. First, physical fitness. Fitness such in building physical capacity in strength, endurance and coordination. Second, recreational competency. Berkeley High's athletic program has proved to be successful due to the highly qualified teachers who devote their time and effort for our school. Competency provides participation in various sports against other schools. Last of all, social efficiency such as cooperation, courage and responsibility. These are critical to the development of physical capabilities ranging from football to water polo. There are around thirteen different sports all together. The department also gives many awards for athletic competency. Awards are given in the varsity block, junior varsity, sophomore and ninth grade.

The **GIRLS P.E.** Department for the first time is completely co-ed. There are more boys and girls taking courses traditionally for the opposite sex than ever before. The department is especially pleased with the "Dance Project" which has performed for elementary schools, senior citizens, and the International Women's Day. The project has also delved into student teaching and movement therapy for the emotionally disturbed. The P.E. Department also sponsored a folk and square dance for the Berkeley Centennial with costumes of the era. The department has also been looking forward to the new additions to the gym and athletic fields, and has been busily making plans for these additions.

The **FOREIGN LANGUAGE** Department of this year has become almost more renowned for its food, (i.e. Mr. Dillingham's chocolate mousse and MMe. Claudine's famous French Luncheons) than for its classes.

This year almost a third of the students went through the Foreign Language Department. And, for all of you students who would rather do something more exciting than conjugate verbs, Mr. Lorenzo says that more field trips to plays and movies (in other languages) are being planned for next year.

The department was also proud this year to offer Italian from Mr. Dillingham, especially for the Concert Chorale students, who are going to Italy this summer. The department also offers French, Spanish, German, and Latin.

The work of both teachers and students was very closely knit in the **PERFORMING ARTS** Department. Directors Tim Doyle and Carl Brush presented along with three student directors, numerous productions including "The Dream Caper," a musical written and directed by Carl Bush with music composed and conducted by music instructor, William Elliot.

The music department was led by conductors Mr. Xenelis, Mr. Elliot, and also Mr. Hardyman, who took the Jazz Ensemble to several Jazz Festivals where they were recognized as one of the top groups in the state.

Many choral groups led by Mr. Barker joined for numerous, excellent performances, and Concert Chorale planned and practiced for a summer tour of Italy and Germany.

Ms. Singman directed choreographers, singers, musicians, and lighting technicians in five packed nights of Dance Production performances.

The **BUSINESS ED** Department teaches students skills for part-time employment while going to college and for full-time employment after graduation. Courses range from computer programming to accounting and from typing to business math.

This last year 2300 students went through Drivers Ed. and Drivers Training. Some of these same students participated in the "Best Driver at B.H.S." contest. Students were tested in such things as parallel parking.

For all of you who were uncomfortable in last year's cars, the **DRIVERS ED** Department is getting 5 new cars and getting rid of 5 older ones.

1. Mr. Crismon, the favorite Drivers Ed teacher, takes roll in his class.
2. A students listens as Department Chairman Mr. Hanson discusses turnabouts and parallel parking.
3. Drivers Ed teacher Mr. Gomez (left) attending a staff meeting.
4. Mr. Constant thinks about his close call.
5. Mr. Fiedler prepares himself before taking a death ride.

The **AFRICAN-AMERICAN STUDIES** has grown and matured since its fledgling begining in 1968 into the strongest all elective program at BHS. It offers 14 courses which cut across 6 disciplines. As such, our department is the only one of its kind in a public school in America. Inspite of recent rulings by the H.E.W. which has resluted in a racist description and perception as the program it continues to provide quality education for students in the area of African History and Culture.

The **BILINGUAL PROGRAM** of Berkeley High School serves as link between Chicano students and the rest of the school, as well as helping Chicanos learn about their cultural backgrounds. This year several new ideas have been introduced into the program including Chicano-yearbook and the newly painted walls under the cafeteria.

Because they have been ignored in past yearbooks, the Bilingual Program published their own yearbook, which came out last April. A whole page is dedicated to each student in the Bilingual Program; a picture of each student and his/her thoughts are included on the page. A sports section along with the **MURAL ARTS** section will also be included in their yearbook. The staff, which was open to all students, consisted of 18-20 people, mainly Chicanos.

The **A.H.S.S.P.** (Accelerated High School Student Program) consists of a group of approximately 20 students who go to Cal for classes which are not offered at Berkeley High. These classes range from advanced math and science to foreign languages and social sciences. Students can participate in most of the Cal activities like a regular freshman student even though they are still students at B.H.S.

Alan Golstein, head of the B.H.S. **MEDIA CENTER** feels that the main purpose of the center is to help the students educate themselves.

The library has been more useful this year than before, but the librarians are still trying to communicate to the students that the media center is a place for quiet study and research rather than a place to socialize.

The school **PSYCHOLOGIST** Mr. Herb Singer, dedicates his time to students who are in need of attention and understanding. Most frequently his cases involve suicidal and runaway students.

PROJECT R.E.A.L.

(Resesarch, Experience, Awareneß, and Learning) is made up of four different catagories of learning; Merchandising and Display taught by Ms. Rice; Hotel and Restaurant taught by Mr. Porter, and Office Experience taught by Mrs. Thorpe.

In each area of the program, students are taught in the classroom the basics of the particular field they are interested in. The second semester, students are placed in the "real world," working in challenging situations which possibly could become their future careers.

The **CAREER CENTER** provides information for students so that they can explore all of the options available to them after graduation from high school. A wide variety of printed and audio/visual material, as well as personal assistance is utilized. The **PARENT-CHILD DEVELOPMENT CENTER** is a program that enables students who are mothers to attend regular classes at B.H.S.

In the program, participants are required to attend the two child-related classes offered. One of the classes is the "Infant-toddler lab," where they assist in care of young children. The other class is called "Parenting TLC (tender loving care)."

Both classes are open to non-parents and expectant mothers in addition to present mothers. Non-parents and expectant mothers do not need to attend both classes to participate.

The center offers help and support to these young mothers, and future mothers, who may have no other place to turn.

The **FRESHMAN CLASS** got off to a good start. The class officers would have liked more support in fund raising, but that wasn't as important as the amount of spirit that the youngest class showed in their various activities throughout the year. Thanks to the wonderful work of Ms. Pitts and Ms. Boatman in the **ACCOUNTANTS OFFICE** our school has an unending supply of tickets for games and buses. These two women also keep track of the storeroom supplies and over 250 accounts for the school. In addition, they are in charge of passing out lockers and fishing out the combinations for the unfortunate people who forget them. Altogether, they have done a great job of managing and operating this difficult office.

The **HEALTH CENTER** of Berketey High headed by Ms. Harris (not available for picture), serves many purposes. It is a place where you can get information on health problems that you might have.

The Health Center also offers rap sessions where discussions are held about any concerns the group agrees on.

The office is not equipped to give medication or to diagnose illness, but it does provide first aid, and will give a referral to a doctor.

Berkeley High's **SECRETARIES** work hard, taking orders from everyone. They type, answer phones, make appointments, and most of all, help students. On the Community Theater steps members of the family watched as Mr. Dan Jones and Ms. Denise Reinsch were joined in holy wedlock. The family was, however, the B.H.S. Performing Arts Department. The usual prenuptial affairs took place, the most interesting being the stag party given for the groom. The P.A.D. has been described by some members as split into two sectors — the “Gypsy” company, consisting of old P.A.D. members and people who were involved in the drama festival, the new additions. People who staged the **WED - DING** felt that it brought P.A.D. members closer together.

Berkeley High School has its problems like any other school. While everyone rejoiced about the year's first **RAIN** and hoped for the end of last year's water rationing and drought, the school moaned. Water dripped from leaky roofs in the gyms and some of the buildings. The moisture also caused tiles to fall from the ceilings in other buildings. As more rain fell, the drought ended, but the state of the buildings continued to deteriorate.

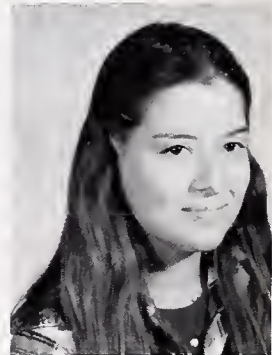

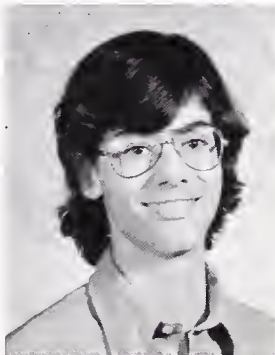

The **C BUILDING** in addition, was pronounced unsafe in the event of an earthquake. This gave the school district the choice of either rebuilding it or tearing it down. The C building is the oldest building on our campus.

1. Berkeley High students and friends welcome the long awaited return of the rain.

2. One of the many leaky roofs on campus.

SPRING SPORTS

The year 1978 marked the 50th anniversary of the building of the Berkeley High swimming pool. To commemorate this auspicious occasion the swim team turned in force to work out eight times a week under the watchful eye and scathing whip of coach Max Stinchcombe.

Despite the handicaps of swimming in an obsolete half-century old pool, the team had a **BRIGHT OUTLOOK** on the season, due mainly to the return of two year varsity lettermen Mike Bender, Richard Collins, Willy Morris, and John Oliver, all of whom competed in last year's North Coast Section Championships, Junior Steve Wittstock, and Freshmen Sam Taylor and Tom Voorhees.

These swimmers, along with many others, gave BHS one of the most experienced swim teams in recent years. Although it didn't have any one star, the team had many good swimmers in each event and had high hopes for a successful season.

Under the new direction of coach John Martinez and assistant coach Murphy, this years crew team began **BIGGER AND STRONGER** than last years West Coast championship team. There were nine returning oarsmen and two returning coxwains. Returning from last years varsity team were Ian Willis, Sean Haines and Jim Coulter. Other returning oarsmen, in this years varsity boat were Tom Gaebler, Jeff Lewis and Jack Devaney. First year varsity rowers were Mike Macy, Paul Carson, Steve Below, and freshman sensation Eric Cohn.

The Jackets high school competition this year included arch rivals Redwood, Campolindo, and Skyline. Not having enough high school competition, Berkeley faced U.C.L.A.'s second frosh., U.S.C.'s first frosh., San Diego State's first frosh., U.C. Davis' first frosh., Cal's fourth varsity, and the Calif. Maritime Academy's varsity.

This years girls crew team, bolstered by much school support and participation, started their 78 season with 2 major wins in their first regatta. Guided by coaches, M. Oldershaw, R. Ruth and J. This year the Gymnastics team had four returning letterman, including seniors Mike Arbegast and Conrad Hurtt. They, along with team captain Sigurd Wilbanks and Paul Spinka competed in all the events (floor exercise, high bar, parallel bars, vaulting, pommel horse, and rings).

Other important team members were: Colin McGuire, a junior, on rings and parallel bars; Willie Sykes, a junior, on rings and vaulting; Greg Lara, a sophomore, on floor exercise and vaulting; and Dan Sperber, a sophomore, on rings and pommel (side) horse.

Mr. Allin, the coach, is looking forward to an outstanding team next year, owing to the number of **EXPERIENCED GYM-NASTS** who will be returning.

Despite the loss of last year's outstanding performers the '78 track team is again favored to take the RBAL crown. Filling the gaps are such talented athletes as Kerry Myers, who set a new school record in the high jump, Randy Patterson, the team's best all-round runner, and Fred DeWitt, the team's clutch performer.

A crucial factor for this year's team is the tremendous **TEAM SPIRIT** which drives the team to it's best.

The switch from the "hard" Berkeley High track to CAL's brand new track has proven to be an enormous blessing, greatly reducing injuries, which crippled last year's team.

1. Kerry Meyers, in his first meet for B.H.S., sets a new school record in the high jump at 6'7 $\frac{3}{4}$ ".

The JV team, while showing great **POTENTIAL** is hampered by a lack of personnel which forces coach Willie White to spread the talent thin. The distance runners are the one area where there is strength and depth.

The team should perform well this year because of the demise of the other RBAL teams.

The girl's team is a strong contender to continue their **DYNASTY** in the State Championships. The sprints are again the team's strongest area with such blazing runners as Sharon Ware, a freshman sensation, Freida Cobbs, world class in the 100, and Kim White. The distance runners, led by transfer, Bridget Flynn, has shown the greatest improvement from last year, however. The team suffers only from the lack of strong competition in the RBAL.

As with the boys the switch of tracks has greatly reduced injuries, which possibly cost the girl's team last year's state championship.

Berkeley High has a **PROM - ISING** badminton team this year, even though only a few of last year's players have returned. Shirley Fryson, Lynn Pickerell and Shelia Bell are sure to be a strong trio as the top women's singles players. Top men singles are Greg Johnson, Kris Lawson and Loren Council. All five men's doubles and mixed doubles are the strong point of the team's future.

This year's Golf Team once again had promise of being the league **CHAMPIONS** for the second consecutive year.

The team was led by seniors Brian Fenske and Junior Steve Anderson. The rest of the team consisted of seniors Willard Tressel, Orin Starn, Joe Coulter, and Kevin Fong and Juniors Peter Johansson and Jamie Ham. Sean Connelly and Fred Andrews appeared to be prospects for future league championships.

Under the direction of Coach Jean Gregerson and team captain Eric Casida, the Fencing Team started the season. The team was a new one and no one had even competed before. Yet with hard work and practice, Coach Gregerson felt they could live up to past years performances.

Before joining the team, students have learned **TECHNIQUES** including competitive and theatrical fencing drills, jogging and other conditioning exercises.

The 1978 Berkeley Yellow Jacket baseball team had an impressive pre-season record of 7 wins and 2 losses, and were the runner-up team in the 1st annual San Marin Baseball Tournament.

The Jackets were led by Seniors Jeff Ransom, catcher, Tom Fairchild, second base, Barry Gordon, shortstop, Mike Wilder, third base, Troy Graggs, left field, David Wilder, right field, Roger Kachiu, pitcher, and Carter Love, pitcher. The starting underclassmen were sophomore Brian Finley, first base, junior Brian Guinn, and junior Mike Jefferson, centerfield.

Paul Daniels is the third coach in as many years for the Jackets. He, along with asst. coaches Elijah Green, Stan Nakahara, and Greg Freeman, believes that "...the key to winning games is good pitching and defense," According to certain players, there is evidence of **MORE TEAM SPIRIT** than in the past.

As for an NCS playoff spot Daniels said, "To get to the North Coast playoffs you have to have the talent, and we aren't lacking there. Also, it is not only talent that wins games, but sound baseball sense, and experience as well."

The 1977-78 season was a strange one for Berkeley's JV basketball team. Because the other RBAL schools dropped their JV programs, coach Dan Palley's Junior Jackets were forced to play a make shift schedule against JV and varsity teams. The Jackets posted a total season record of 17-7, but the record is deceiving, four of the losses were against varsity competition, while the remaining three were all by one point. The highlight of the season was Berkeley's opening **VICTORY** over Richmond Highs in the Richmond Invitational tournament.

Standouts on the team included leading scorer and rebounder Keith Hardaway, guard Chris Tyree, who led the team in assists and was second in scoring, and other starters Terry Holman, Lee Pinkney and Gordon Williams. Bench strength was provided by the other members of the team, Hunter Lenihan, Greg Turner, Andre Simpson, Chris Smith, Ted Bell, Eric Taller, Horall Owens and Vanneto Thomas.

This years season has prepared the Junior Jackets for what should be another successful varsity campaign next year.

Berkeley enjoyed its **BEST BASKETBALL SEASON IN MANY YEARS**, as the Jackets compiled a 25-9 record, in spite of playing the toughest pre-season schedule possible.

Some of the year's highlights were: playing a close game with the nation's top-ranked team, Verbum Dei; winning the Anderson Tournament by demolishing Castlemont in the finals; continuing the school's tradition by winning the RBAL; capturing the North Coast crown; and playing three TOC games.

All year long the Jackets had one goal — to reach the Tournament of Champions — and the only way to attain it was to win the North Coast Section title, which they did. They became the first Berkeley team to win North Coast by virtue of consecutive one point overtime victories.

In their opening round game, the Jackets gained revenge for an earlier loss to Drake, thrashing the Pirates by 23 points. Playing one of their best games of the year, the Jackets simply overpowered their sharpshooting opponents from San Anselmo.

The semi-final game with Pittsburg was another story. Berkeley, which played poorly all night, won the contest simply as a result of its courage. Down by seven points at the beginning of the fourth quarter, and still trailing by five with 2:30 left, the Jackets wouldn't allow themselves to be beaten.

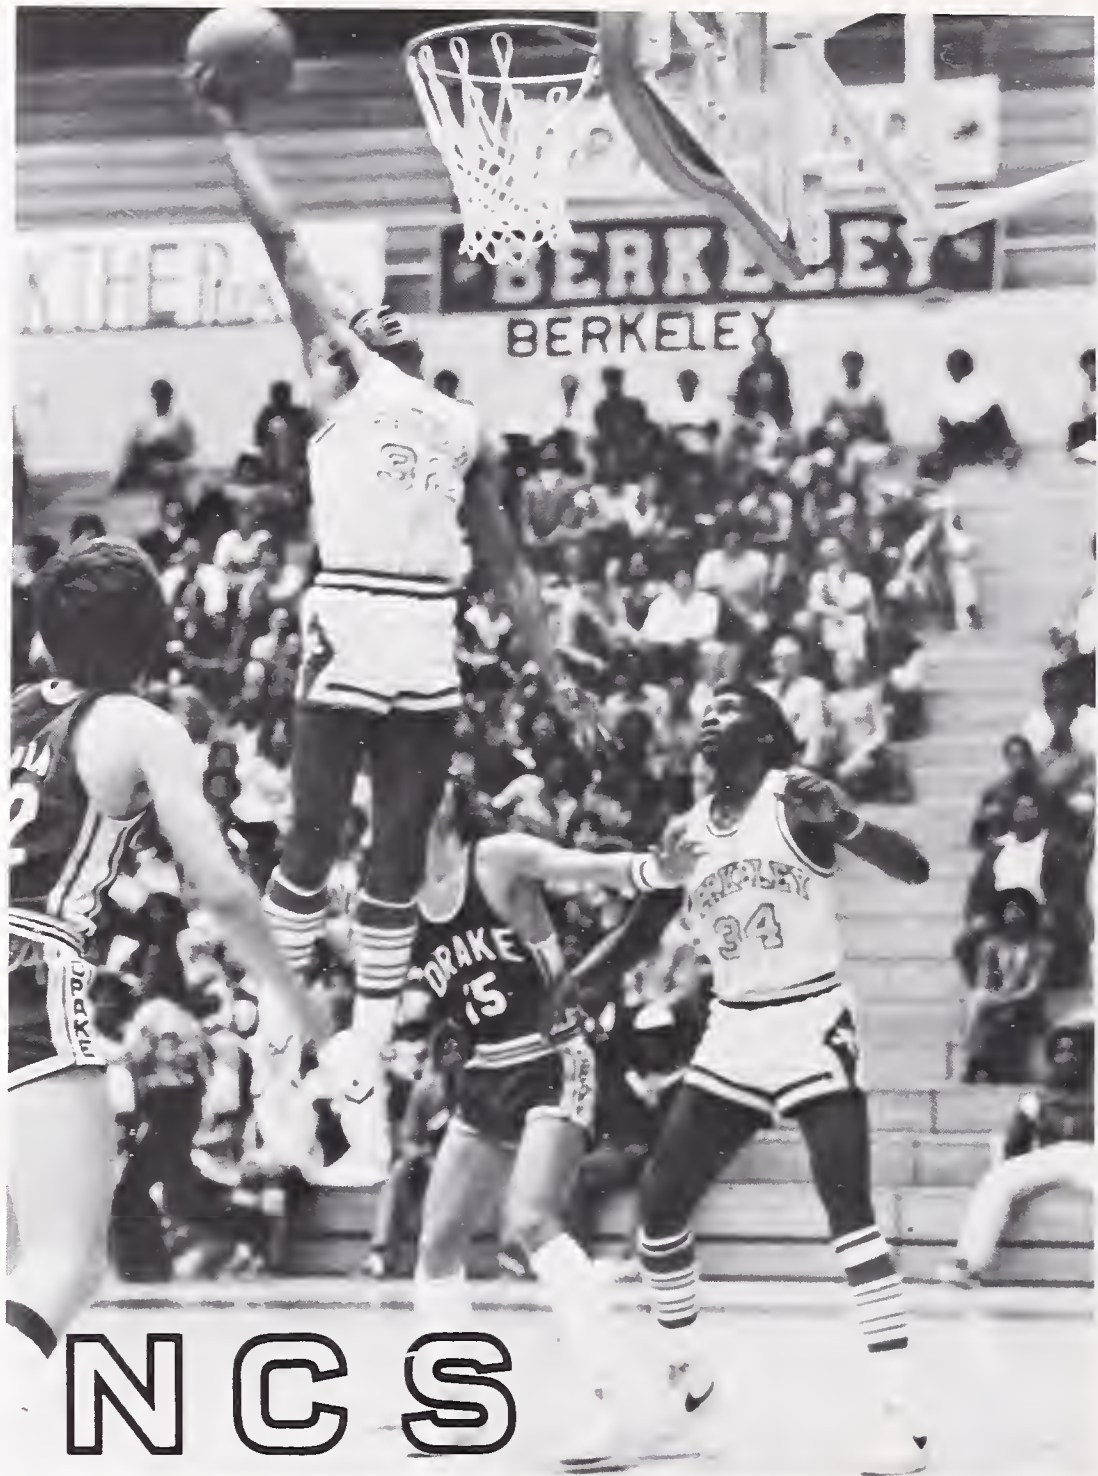

Two free throws by Doug Harris with 11 seconds left forced the overtime and Brian Guinn's pair of foul shots with two seconds remaining in the extra period gave the Jackets a **PLACE IN THE FINALS.**

The championship game with Bishop O'Dowd was another nail-biter. The Jackets found themselves again behind in the fourth stanza, and again they clawed their way back. Down by eight points with six minutes remaining they managed to tie the score, 63-63, at the end of regulation time. William Brew scored the Jackets' final four points to give them the first place trophy.

Doug Harris and Don Sally made the all-tournament team and the Berkeley rooting section won the Spirit Cup.

Berkeley returned to the Oakland Coliseum Arena after a two year absence and promptly made its presence felt, demolishing Christian Brothers by 27 points. Berkeley trailed throughout the first half, but made a comeback in the second. Taking advantage of their quickness, the Jackets utilized a baffling full-count press to break the game open. Executing steal after steal the Jackets **SWARMED TO THE HOOP** for uncontested lay-ins and by the end of the third quarter the outcome was no longer indoubt.

Christian Brothers must have returned to Sacramento somewhat stunned. One half they had the lead, and the next they were outscored 49-20!

Any hopes Berkeley had of winning the state title vanished the following night against the eventual tournament winner, McClymonds. In front of 11,000 screaming fans, the Jackets raced to a 42-34 halftime advantage.

Mack tied the game early in the third quarter and neither team could get the upper hand. The two East Bay powerhouses battled evenly until mid-way through the last quarter, at which time Mack took control and won.

The consolation game, the following day, was a rematch of the NCS finals and this time O'Dowd was victorious.

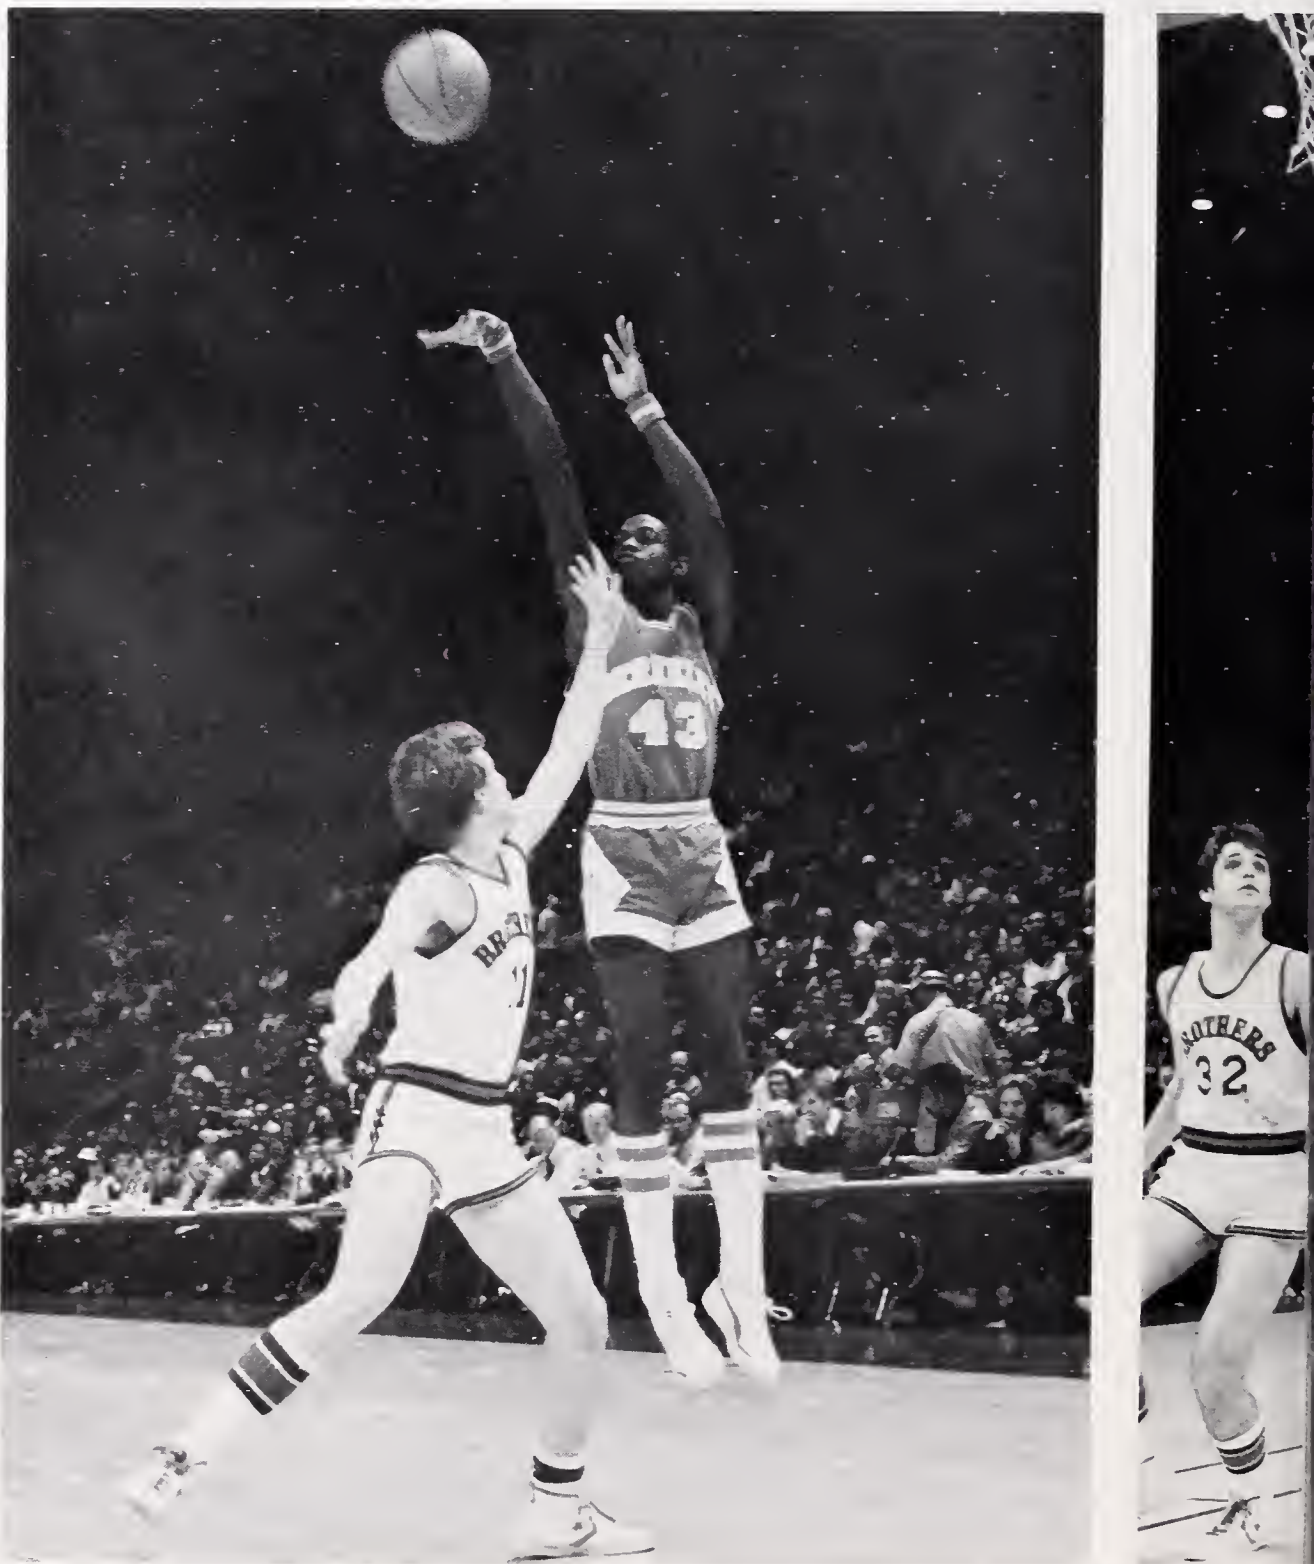

Don Sally was the only Berkeley player chosen to the all-tournament squad, and again the Berkeley cheering section went home with a Spirit Cup.

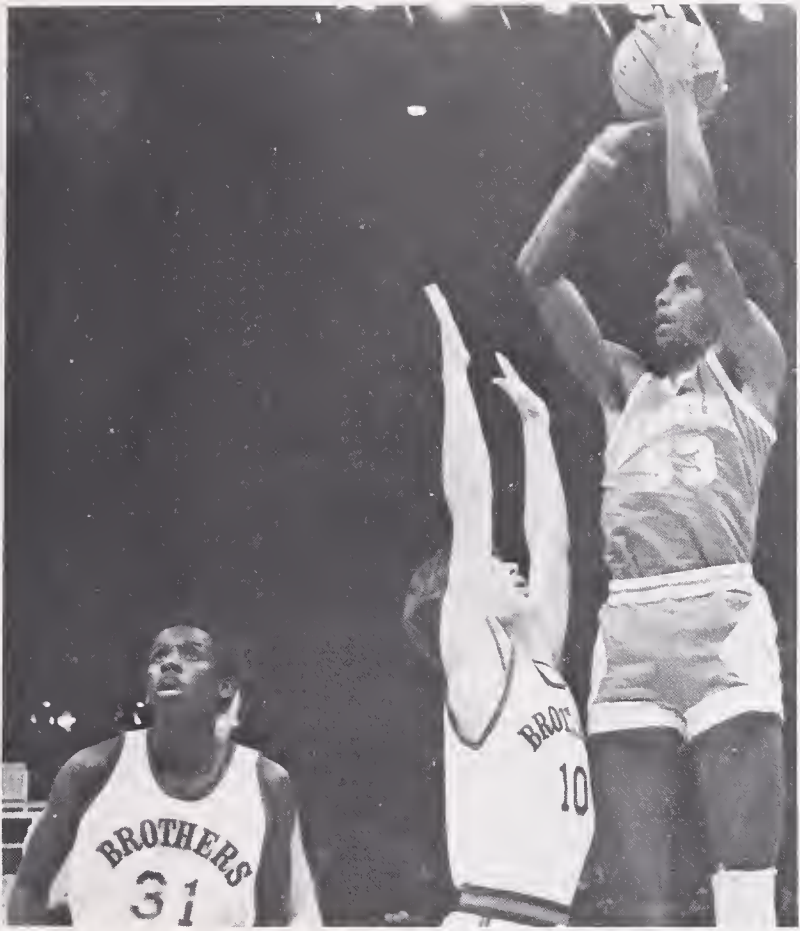

As a result of their accomplishments, the Jackets finished the year ranked number three in the East Bay. The key to the squad's success was everyone's ability to blend together to form a cohesive unit. The players voted Bruce Shelton their MVP, and Don Sally was selected the best defensive player.

IN CLOSING

And then the year came to a close,

For all my friends and all my foes.

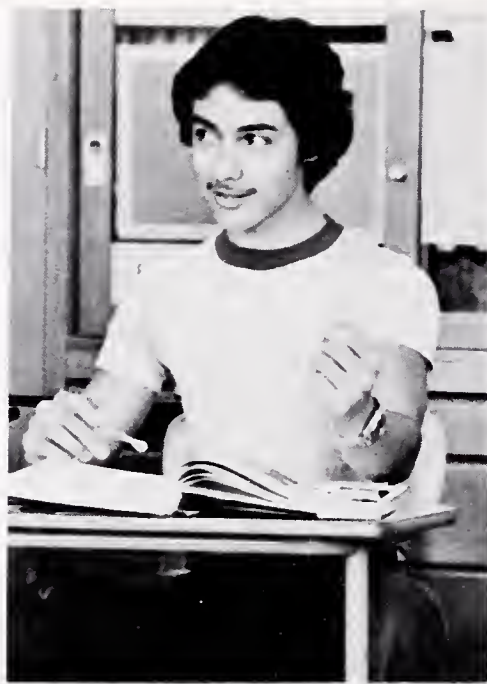

Some students left to do new things.

The rest must stay 'til later springs.

For those of us who went away,

Perhaps we'll meet again someday.

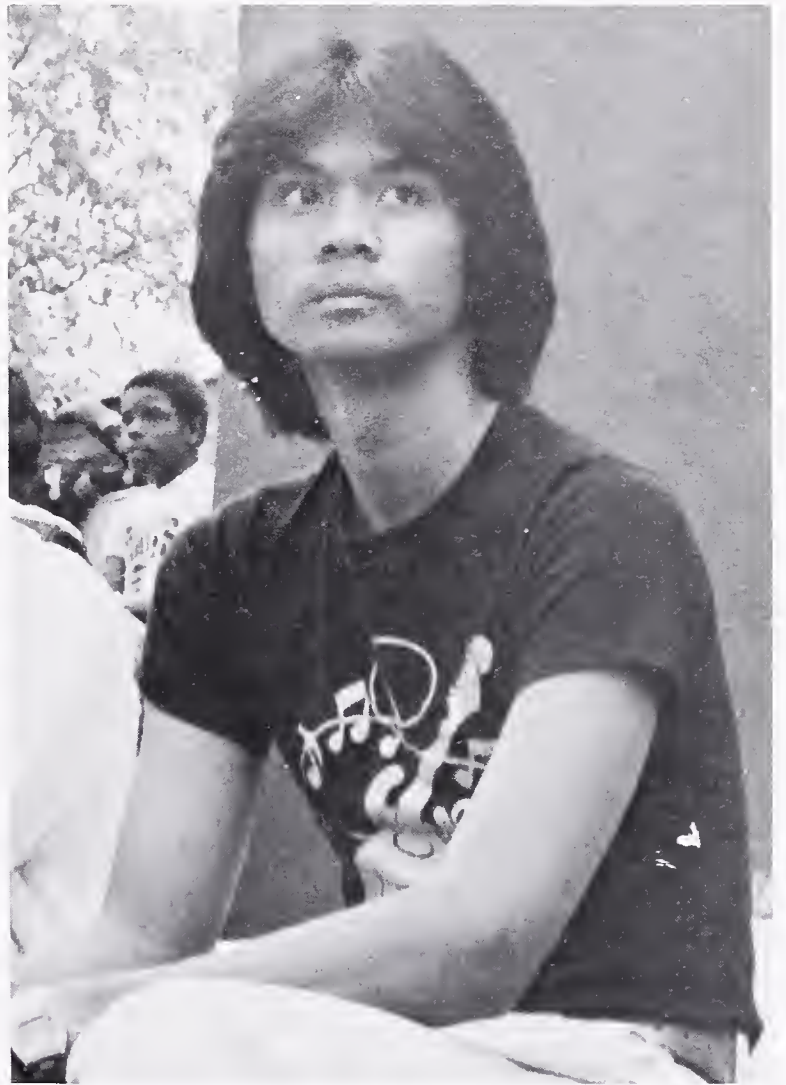

For time goes on.

From winter to spring.

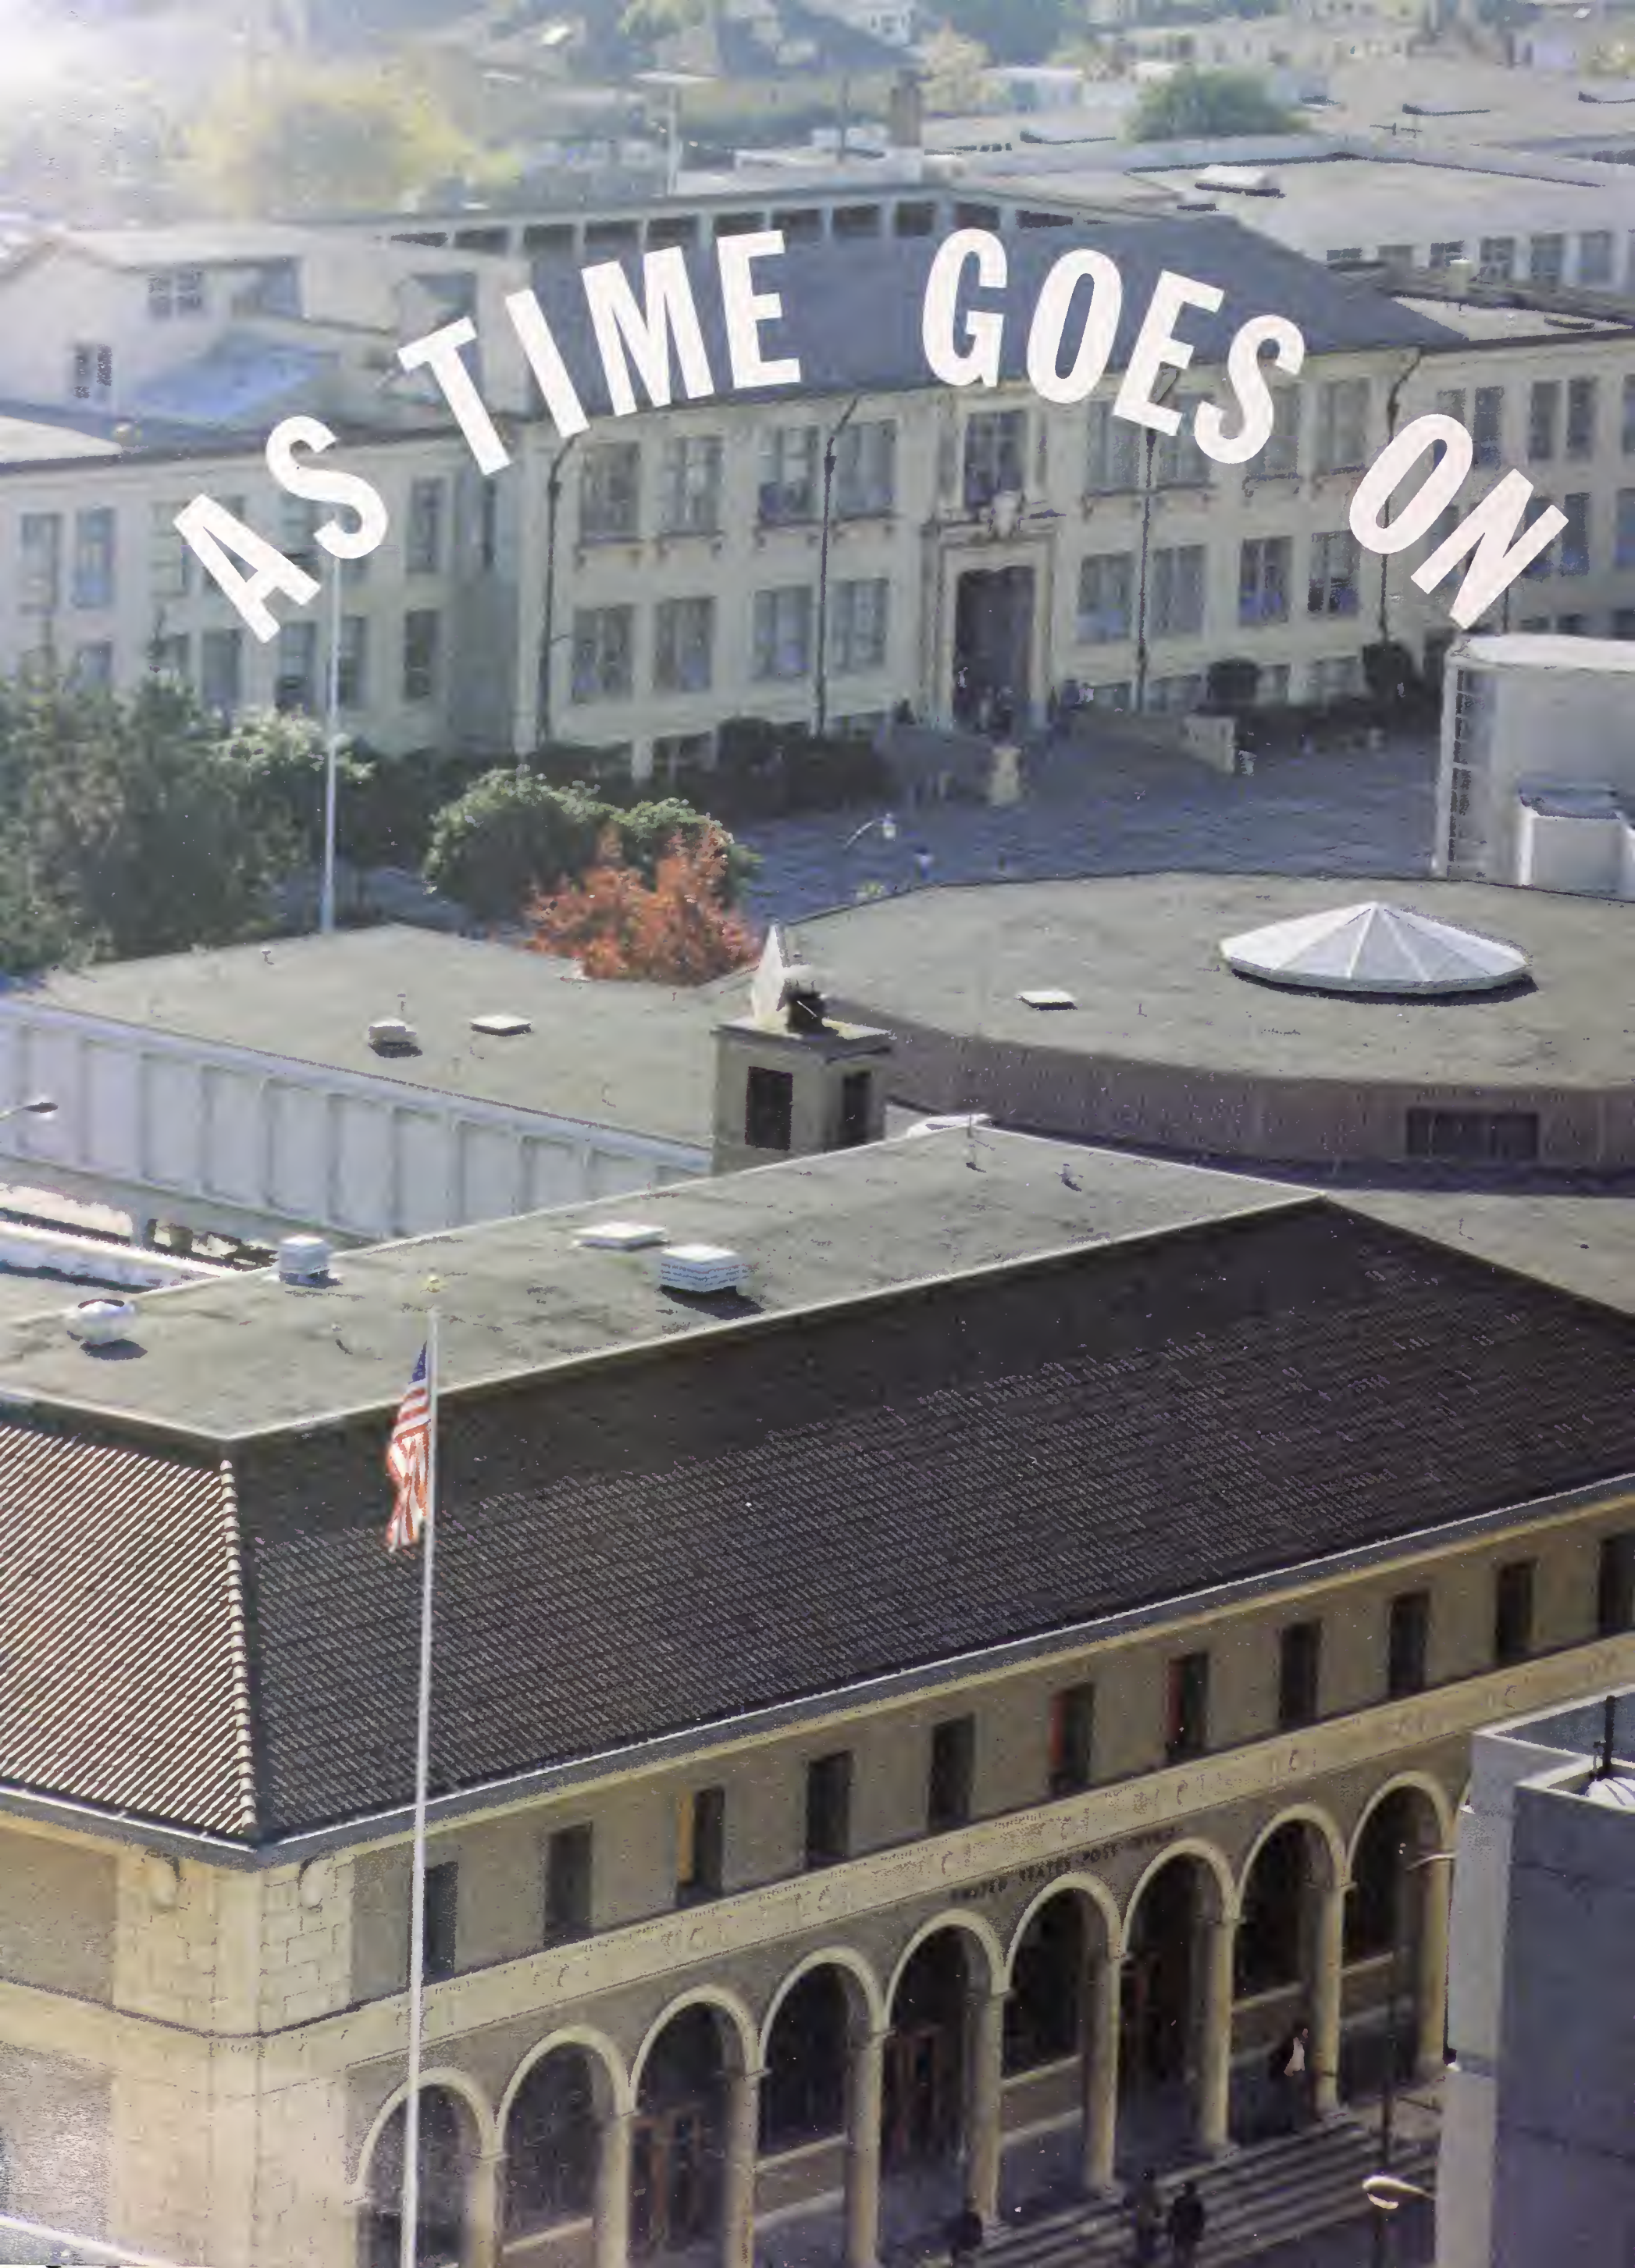

And who can say,

What the future will bring.

"BRANDO, Fonda, Pacino,
 Woodward bring to acting the same
 emotions that everyone has buried
 inside — the experiences of life.

Their method of tapping it
 and letting it come alive on stage
 and in front of a camera is what

we are all about. This is
 pure Stanislavski Method
 and it is producing the
 best actors today."

BERKELEY BAIT & TACKLE

1479 SAN PABLO

526 5830

The shortest way from Berkeley High to Layton's is up Durant Avenue. We are located at the corner where Durant crosses Telegraph Avenue. We offer an excellent selection of dressy shoes, boots (such as Frye's), Sandals, loafers, and naturally also Birkenstock sandals and clogs.

We will be glad to help you make your selection, and also talk about old times at B.H. S.
